1.2 Submission Statement. The Developer hereby submits the Land and all improvements erected or to be erected thereon and all other property, real, personal or mixed, now or hereafter situated on or within the Land - but excluding all public or private (e.g. cable television and/or other receiving or transmitting lines, antennae or equipment) utility installations therein or thereon - to the condominium form of ownership and use in the manner provided for in the Florida Condominium Act as it exists on the date hereof and as it may be hereafter renumbered. Without limiting any of the foregoing, no property, real, personal or mixed, not located within or upon the Land as aforesaid shall for any purposes be deemed part of the Condominium or be subject to the jurisdiction of the Association, the operation and effect of the Florida Condominium Act or any rules or regulations promulgated pursuant thereto, unless expressly provided.

In the event of any partial assignment, the assignee shall not be deemed the Developer, but may exercise such rights and obligations of Developer as are specifically assigned to it. Any such assignment may be made on a nonexclusive basis. The rights and obligations of Developer under this Declaration are independent of the Developer's rights and obligations to control the Board of Directors of the Association, and, accordingly, shall not be deemed waived, transferred or assigned to the Unit Owners, the Board or the Association upon the transfer of control of the Association.

- 2.18 "Dispute", for purposes of Section 18.1, means any disagreement between two or more parties that involves: (a) the authority of the Board, under the Act or under the Articles or By-Laws to: (i) require any Owner to take any action, or not to take any action, involving that Owner's Unit or the appurtenances thereto; or (ii) alter or add to a common area or Common Element; or (b) the failure of a governing body, when required by the Act, the Articles or By-Laws to: (i) properly conduct elections; (ii) give adequate notice of meetings or other actions; (iii) properly conduct meetings; or (iv) allow inspection of books and records. A "Majority of Institutional First Mortgagees" shall mean and refer to Institutional First Mortgagees of Units to which at least fifty-one percent (51%) of the voting interests of Units subject to mortgages held by Institutional First Mortgagees are appurtenant.
- 2.22 "Limited Common Elements" mean those Common Elements the use of which is reserved to a certain Unit or Units to the exclusion of other Units, as specified in this Declaration. References herein to Common Elements also shall include all Limited Common Elements unless the context would prohibit or it is otherwise expressly provided.

3. Description of Condominium.

3.1 Identification Types of Units. Developer hereby creates twenty-eight (28) residential units within the Condominium. The Units are located on floors three (3) through seven (7) of the Condominium building. Each of floors three (3) through six (6) contain one (1) of each of the following floor plan types: A, B, C, D, E and F. The Units on floor three (3) shall be designated 3A, 3B, 3C, 3D, 3E and 3F. The Units on floor four (4) shall be designated 4A, 4B, 4C, 4D, 4E and 4F. The Units on floor five (5) shall be designated 5A, 5B, 5C, 5D, 5E and 5F. The Units on floor six (6) shall be designated 6A, 6B, 6C, 6D, 6E and 6F. Floor seven (7) will contain Penthouse A, Penthouse B, Penthouse C and Penthouse D. Each such Unit is identified by a separate designation. The designation of each of such Units is set forth on **Exhibit "2"** attached hereto. Exhibit "2" consists of a survey of the Land, a graphic description of the Improvements located thereon, including, but not limited to, the Building(s) in which the Units are located, and a plot plan thereof. Said Exhibit "2", together with this Declaration, is sufficient in detail to identify the Common Elements and each Unit and their relative locations and dimensions. There shall pass with a Unit as appurtenances thereto: (a) an undivided share in the Common Elements and Common Surplus; (b) the exclusive right to use such portion of the Common Elements as may be provided in this Declaration; (c) an exclusive easement for the use of the airspace occupied by the Unit as it exists at any particular time and as the Unit may lawfully be altered or reconstructed from time to time, provided that an easement in airspace which is vacated shall be terminated automatically; (d) membership in the Association with the full voting rights appurtenant thereto; and (e) other appurtenances as may be provided by this Declaration.

3.2 Unit Boundaries. Each Unit shall include that part of the Building containing the Unit that lies within the following boundaries:

- (a) Upper and Lower Boundaries. The upper and lower boundaries of the Unit shall be the following boundaries extended to their planar intersections with the perimetrical boundaries:
- (i) Upper Boundaries. The horizontal plane of the unfinished lower surface of the ceiling (which will be deemed to be the ceiling of the upper story if the Unit is a multi-story Unit, provided that in multi-story Units where the lower boundary extends beyond the upper boundary, the upper boundary shall include that portion of the ceiling of the lower floor for which there is no corresponding ceiling on the upper floor directly above such bottom floor ceiling).
 - (ii) Lower Boundaries. The horizontal plane of the unfinished upper surface of the floor of the Unit (which will be deemed to be the floor of the first story if the Unit is a multi-story Unit, provided that in multi-story Units where the upper boundary extends beyond the lower boundary, the lower boundary shall include that portion of the floor of the upper floor for which there is no corresponding floor on the bottom floor directly below the floor of such top floor).
 - (iii) Interior Divisions. Except as provided in subsections (i) and (ii) above, no part of the floor of the top floor, ceiling of the bottom floor, stairwell, adjoining the multi-floors, in all cases of a multi-story Unit, if any, or nonstructural interior walls shall be considered a boundary of the Unit.

(b) Perimetrical Boundaries. The perimetrical boundaries of the Unit shall be based on measurements from the exterior wall to exterior wall of the Unit for any walls which are not party walls with any other Unit. For any Unit(s) which has a common party wall, the perimetrical boundaries of the Unit shall be based on measurements to the center of each party wall.

(c) Apertures. Where there are apertures in any boundary, including, but not limited to, windows, doors, bay windows and skylights, such boundaries shall be extended to include the windows, doors and other fixtures located in such apertures, including all frameworks, window casings and weather stripping thereof, together with exterior surfaces made of glass or other transparent materials.

(d) Exceptions. In cases not specifically covered above, and/or in any case of conflict or ambiguity, the survey of the Units set forth as Exhibit "2" hereto shall control in determining the boundaries of a Unit, except that the provisions of Section 3.2(c) above shall control unless specifically depicted and labeled otherwise on such survey.

3.3 Limited Common Elements. Each Unit may have, to the extent applicable and subject to the provisions of this Declaration, as Limited Common Elements appurtenant thereto:

(a) Patios, Balconies, Roof Decks and Terraces. Any patio, balcony, roof deck or terrace (and all improvements thereto) as to which direct and exclusive access shall be afforded to any particular Unit or Units to the exclusion of others shall be a Limited Common Element of such Unit(s). The Association shall be responsible for the damage to the structural and mechanical elements of any such Limited Common Elements, with any structural or mechanical repairs to be paid for through a Special Assessment (as defined herein) and the Owner of the Unit shall be responsible for the general cleaning, maintenance, plant care and the upkeep of the appearance of the area(s).

(b) Parking Spaces. Upon completion of the parking areas, all parking spaces will be designated and tracked on a master list, prepared and maintained by the Association. Levels 1 and 2 of the Condominium building contain parking spaces for the Condominium. All parking spaces shall be clearly numbered and painted on the respective bumper blocks. Each Unit Owner shall be permanently assigned two (2) parking spaces for each Unit. All of the assigned parking spaces shall be Limited Common Elements hereunder. Notwithstanding the foregoing, each Unit Owner acknowledges that, when he is not in residence (and there is no tenant in residence in the Unit), his parking spaces may be used by other Unit Owners, their guests, and/or invitees. Furthermore, if said Unit Owner indicates that he will be absent for a period of time, the Board of Directors of the Association will be permitted to designate such spaces as "open use" spaces until such time as the Unit Owner's scheduled return or the Unit Owner otherwise indicates its desire to use its parking spaces. It may become necessary to relocate a parking space at any time, and from time to time, to comply with applicable Federal, State and local laws and regulations regarding or affecting handicap accessibility. In the event any Unit Owner receives notice that such a relocation is necessary to comply with any such laws; then the Unit Owner will negotiate with the Association to have its parking space relocated. The maintenance of any parking space so assigned shall be the responsibility of the Association. Any parking spaces which are not assigned to a specific Unit

Owner ("General Parking Spaces") shall be Common Elements as defined herein. All General Parking Spaces may be used by Unit Owners, guests and/or licensees on a "first come, first served" basis. In addition to the parking spaces, there are ten (10) motorcycle spaces, which motorcycle spaces shall be assigned to the Unit Owners by the Association. If it shall become necessary, a waiting list shall be created and maintained by the Association for the use of these motorcycle spaces.

- (c) Storage Closets. Each Unit Owner shall be permanently assigned one (1) storage closet for each Unit. All storage closets shall be clearly numbered and painted on the storage closet. A Limited Common Element storage closet may be relocated at any time and from time to time, by the Board. The maintenance of the storage closets shall be the responsibility of the Unit Owner assigned to the storage closet.
- (d) Miscellaneous Areas, Equipment. Any fixtures or equipment (e.g., an air conditioning compressor or hot water heater) serving a Unit or Units exclusively and any area (e.g., a closet or ground slab) upon/within which such fixtures or equipment are located shall be Limited Common Elements of such Unit(s). The maintenance of any such equipment and/or areas so assigned shall be the sole responsibility of the Owner of the Unit(s) to which it is assigned.
- (e) Other. Any other portion of the Common Elements which, by its nature, cannot serve all Units but serves one Unit or more than one Unit (i.e., any driveway leading to the garage of a Unit) shall be deemed a Limited Common Element of the Unit(s) served and shall be maintained by said Owner(s). In the event of any doubt or dispute as to whether any portion of the Common Elements constitutes a Limited Common Element or in the event of any question as to which Units are served thereby, a decision shall be made by a majority vote of the Board of Directors of the Association and shall be binding and conclusive when so made. Notwithstanding the foregoing, the hallways on each floor of the Condominium shall be Common Elements, not Limited Common Elements.

3.4 Easements. The following easements are hereby created (in addition to any easements created under the Act and any easements affecting the Condominium Property and recorded in the Public Records of the County):

- (a) Support. Each Unit, the Building and the Improvements shall have an easement of support and of necessity and shall be subject to an easement of support and necessity in favor of all other Units, the Common Elements, and any other structure or improvement which abuts any Unit, the Building or any Improvements.
- (b) Utility and Other Services; Drainage. Easements are reserved under, through and over the Condominium Property as may be required from time to time for utility, cable television, communications and monitoring systems, and other services and drainage in order to serve the Condominium and/or members of the Association. A Unit Owner shall do nothing within or outside his Unit that interferes with or impairs, or may interfere with or impair, the provision of such utility, cable television, communications and security systems, or other service or drainage facilities or the use of these easements. The Association shall have a right of access to each Unit to maintain, repair or replace the pipes, wires, ducts, vents, cables, conduits and other utility, cable television, communications and

similar systems, service and drainage facilities, and Common Elements contained in the Unit or elsewhere in the Condominium Property, and to remove any Improvements interfering with or impairing such facilities or easements herein reserved; provided such right of access, except in the event of an emergency, shall not unreasonably interfere with the Unit Owner's permitted use of the Unit, and except in the event of an emergency, entry shall be made on not less than one (1) days' notice (which notice shall not, however, be required if the Unit Owner is absent when the giving of notice is attempted).

- (c) Encroachments. If (i) any portion of the Common Elements encroaches upon any Unit (or Limited Common Element appurtenant thereto); (ii) any Unit (or Limited Common Element appurtenant thereto) encroaches upon any other Unit or upon any portion of the Common Elements; or (iii) any encroachment shall hereafter occur as a result of (A) construction of the Improvements; (B) settling or shifting of the Improvements; (C) any alteration or repair to the Common Elements made by or with the consent of the Association or Developer, as appropriate, or (D) any repair or restoration of the Improvements (or any portion thereof) or any Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any Unit or the Common Elements, then, in any such event, a valid easement shall exist for such encroachment and for the maintenance of same so long as the Improvements shall stand.
- (d) Ingress and Egress. A non-exclusive easement in favor of each Unit Owner and resident, their guests and invitees, and for each member of the Association shall exist for pedestrian traffic over, through and across sidewalks, streets, paths, walks, and other portions of the Common Elements and Association Property as from time to time may be intended and designated for such purpose and use by the Board; and for vehicular and pedestrian traffic over, through and across, and parking on, such portions of the Common Elements and Association Property as from time to time may be paved and intended for such purposes. None of the easements specified in this subparagraph 3.4(d) shall be encumbered by any leasehold or lien other than those on the Condominium Parcels. Any such lien encumbering such easements (other than those on Condominium Parcels) automatically shall be subordinate to the rights of Unit Owners and the Association with respect to such easements.
- (e) Construction; Maintenance. The Developer (including its affiliates and its or their designees, contractors, successors and assigns) shall have the right, in its (and their) sole discretion from time to time, to enter the Condominium Property and take all other action necessary or convenient for the purpose of undertaking and completing the construction thereof, or any part thereof, or any Improvements or Units located or to be located thereon, and/or any improvements to be located adjacent thereto and for repair, replacement and maintenance or warranty purposes or where the Developer, in its sole discretion, determines that it is required or desires to do so.
- (f) Sales Activity. For as long as the Developer retains any ownership interest in the Condominium, the Developer, its designees, successors and assigns, shall have the right to use any such Units and parts of the Common Elements or Association Property for guest accommodations, model apartments and sales and construction offices, to show model Units and the Common Elements to prospective purchasers and tenants of units in the Condominium, and to erect on

the Condominium Property and Association Property signs and other promotional material to advertise Units in the Condominium for sale or lease.

(g) Support of Adjacent Structures. In the event that any structure(s) is constructed so as to be connected in any manner to the Buildings, then there shall be (and there is hereby declared) an easement of support for such structure(s) as well as for the installation, maintenance, repair and replacement of all utility lines and equipment serving the adjacent structure which are necessarily or conveniently located within the Condominium Property or Association Property (provided that the use of this easement shall not unreasonably interfere with the structure, operation or use of the Condominium Property, the Association Property or the Buildings).

(h) Warranty. For as long as Developer remains liable under any warranty, whether statutory, express or implied, for act or omission of Developer in the development, construction, sale and marketing of the Condominium, then Developer and its contractors, agents and designees shall have the right, in Developer's sole discretion and from time to time, to enter the Condominium Property for the purpose of inspecting, testing and surveying same to determine the need for repairs, improvements and/or replacements, and effecting same, so that Developer can fulfill any of its warranty obligations. **Nothing herein shall be deemed or construed as the Developer making or offering any warranty, all of which are disclaimed (except to the extent same may not be) as set forth in Section 22 below.**

(i) Additional Easements. The Association, through its Board, on the Association's behalf and on behalf of all Unit Owners (each of whom hereby appoints the Association as its attorney-in-fact for this purpose), shall have the right to grant such additional general ("blanket") and specific electric, gas or other utility, cable television, security systems, communications or service easements (and appropriate bills of sale for equipment, conduits, pipes, lines and similar installations pertaining thereto), or modify or relocate any such existing easements or drainage facilities, in any portion of the Condominium and/or Association Property, and to grant access easements or relocate any existing access easements in any portion of the Condominium and/or Association Property, as the Board shall deem necessary or desirable for the proper operation and maintenance of the Improvements, or any portion thereof, or for the general health or welfare of the Unit Owners and/or members of the Association, or for the purpose of carrying out any provisions of this Declaration, provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the reasonable use of the Units for dwelling purposes.

3.5 Boat Dock and Easements Related to Same. Developer is in the process of negotiating with the applicable authorities to construct a boat dock and/or fishing dock in the Clearwater Harbor adjacent to the Condominium Property (the "Boat Dock"). Initially, the Boat Dock, if constructed, shall not be a part of the Condominium. In addition to the easements granted in Section 3.4 above, in the event Developer decides to construct the Boat Dock, Developer and its licensees, invitees, and assigns shall have an easement across the Common Areas for the construction, maintenance, repair and/or reconstruction of the Boat Dock, for utility service to the Boat Dock, and for ingress and egress to the Boat Dock. While the Boat Dock is not initially a part of the Condominium,

Developer shall also have the right, but not the obligation, until such time as (a) control of the Association is transferred to Unit Owners; or (b) when Developer no longer holds any Units for sale, to add the Boat Dock as part of the recreational facilities to the Condominium. Each Unit Owner shall have access to the Boat Dock and a license to use the Boat Dock as a fishing dock until such time as the Boat Dock is added as a part of the recreational facilities, and otherwise until the earlier of such time as Developer sells the Boat Dock or the Condominium is terminated as set forth herein, provided, however, no Unit Owner shall have the right to dock a boat at the Boat Dock unless (i) the Boat Dock is added as a recreational facility to the Condominium; (ii) the Unit Owner purchases a slip from the Developer; or (iii) the Developer otherwise grants such rights to the Unit Owner. The rights and obligations of Developer and each Unit Owner are more particularly set forth in that License Agreement attached as Attachment "G" to the Offering Circular of the Condominium.

4. Restraint Upon Separation and Partition of Common Elements. The undivided share in the Common Elements and Common Surplus which is appurtenant to a Unit, and the exclusive right to use all appropriate appurtenant Limited Common Elements, shall not be separated therefrom and shall pass with the title to the Unit, whether or not separately described. The appurtenant share in the Common Elements and Common Surplus, and the exclusive right to use all Limited Common Elements appurtenant to a Unit, except as elsewhere herein provided to the contrary, cannot be conveyed or encumbered except together with the Unit. The respective shares in the Common Elements appurtenant to Units shall remain undivided, and no action for partition of the Common Elements, the Condominium Property, or any part thereof, shall lie, except as provided herein with respect to termination of the Condominium.

5. Ownership of Common Elements and Common Surplus and Share of Common Expenses; Voting Rights

5.1 The interest in the Common Elements shall be allocated among the Units as set forth in this Section 5.1 and Exhibit "5" annexed hereto.

(a) The interest in Common Elements appurtenant to a Unit shall be expressed as a percentage and calculated in accordance with the following formula:

$$\text{Interest in Common Elements} = \frac{\text{(Total Square Footage of each Unit)}}{\text{(Total Square Footage of all Units in the Condominium)}}$$

(b) The percentage share in the interest in Common Elements for each Unit Owner shall be the same percentage share of Interests in Common Expenses and Common Surplus.

(c) The Developer hereby disclaims any representation or warranty that the square footage allocated to a Unit for the purposes of determination of the interest in Common Elements will be exactly equal to the as built square footages of the Units. Notwithstanding any construction variations, Unit Owners shall pay their Assessments based upon the Interest in the Common Elements as set forth in Exhibit 5.

(d) Except as expressly provided to the contrary elsewhere in this Declaration, an interest in Common Elements may not be partitioned from the Unit to which it is appurtenant, and any purported conveyance, encumbrance or transfer of an

interest in Common Elements made without the Unit to which the Interest in Common Elements is appurtenant shall be void.

5.2 Voting. Each Unit shall be entitled to one vote to be cast by its Owner in accordance with the provisions of the By-Laws and Articles of Incorporation of the Association. Each Unit Owner shall be a member of the Association.

6. Amendment. Except as elsewhere provided herein, amendments may be effected as follows:

6.1 By The Association. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered. A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board of Directors of the Association or by not less than one-third (1/3) of the Unit Owners. Except as elsewhere provided, approvals must be by an affirmative vote representing 67% or more of the voting interests of all Unit Owners. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, provided that such approval is delivered to the secretary at or prior to the meeting.

6.2 Material Amendments. Unless otherwise provided specifically to the contrary in this Declaration, no amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit, or change the percentage by which the Owner of a Unit shares the Common Expenses and owns the Common Elements and Common Surplus (any such change or alteration being a "Material Amendment"), unless the record Owner(s) thereof, and all record owners of mortgages or other liens thereon, shall join in the execution of the amendment and the amendment is otherwise approved by 67% or more of the voting interests of Unit Owners. The acquisition of property by the Association, material alterations or substantial additions to such property or the Common Elements by the Association and installation, replacement, operation, repair and maintenance of approved hurricane shutters, if in accordance with the provisions of this Declaration, shall not be deemed to constitute a material alteration or modification of the appurtenances of the Units, and accordingly, shall not constitute a Material Amendment.

6.3 Mortgagee's Consent. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to mortgagees of Units without the consent of said mortgagees in each instance; nor shall an amendment make any change in the sections hereof entitled "Insurance", "Reconstruction or Repair after Casualty", or "Condemnation" unless the Primary Institutional First Mortgagee shall join in the amendment. Except as specifically provided herein or if required by FNMA or FHLMC, the consent and/or joinder of any lien or mortgage holder on a Unit shall not be required for the adoption of an amendment to this Declaration and, whenever the consent or joinder of a lien or mortgage holder is required, such consent or joinder shall not be unreasonably withheld.

6.4 By The Developer. Notwithstanding anything herein contained to the contrary, during the time the Developer has the right to elect a majority of the Board of Directors of the Association, the Declaration, the Articles of Incorporation or the By-Laws of the Association may be amended by the Developer alone, without requiring the consent of any other party, to effect any change whatsoever, except for an amendment: (a) to permit time-share estates (which must be approved, if at all, by all Unit Owners and mortgagees on Units); or (b) to effect a "Material Amendment" which must be approved, if

at all, in the manner set forth in Section 6.2 above. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer, without the consent of the Developer in each instance.

6.5 Execution and Recording. An amendment, other than amendments made by the Developer alone pursuant to the Act or this Declaration, shall be evidenced by a certificate of the Association, executed either by the President of the Association or a majority of the members of the Board of Directors which shall include recording data identifying the Declaration and shall be executed with the same formalities required for the execution of a deed. An amendment of the Declaration is effective when the applicable certificate and a copy of the amendment is properly recorded in the public records of the County. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of this Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Declaration. See provision . . . for present text." Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly adopted amendment.

7. Maintenance and Repairs.

7.1 Units and Limited Common Elements. With the exception of the parking areas, all maintenance, repairs and replacements of, in or to any Unit and Limited Common Elements appurtenant thereto, whether structural or nonstructural, ordinary or extraordinary, foreseen or unforeseen, including, without limitation, maintenance, repair and replacement of windows, window coverings, interior nonstructural walls, the interior side of any entrance door and all other doors within or affording access to a Unit, and the electrical (including wiring), plumbing (including fixtures and connections), heating and air-conditioning equipment, fixtures and outlets, appliances, carpets and other floor coverings, all interior surfaces and the entire interior of the Unit lying within the boundaries of the Unit or the Limited Common Elements or other property belonging to the Unit Owner, shall be performed by the Owner of such Unit at the Unit Owner's sole cost and expense, except as otherwise expressly provided to the contrary herein. The Association shall be responsible for the cost of maintaining and repairing the parking spaces, and the cost of same shall be paid for by the Unit Owners pursuant to the Budget.

7.2 Common Elements and Association Property. Except to the extent (i) expressly provided to the contrary herein, or (ii) proceeds of insurance are made available therefor, all maintenance, repairs and replacements in or to the Common Elements (other than those Limited Common Elements to be maintained by the Unit Owners as provided above) and Association Property shall be performed by the Association and the cost and expense thereof shall be charged to all Unit Owners as a Common Expense, except to the extent arising from or necessitated by the negligence, misuse or neglect of specific Unit Owners, in which case such cost and expense shall be paid solely by such Unit Owners. Without limiting the generality of the foregoing, each Owner, by acceptance of a deed or otherwise acquiring title to a Unit, shall be deemed to agree that the obligations of the

City of Clearwater (the "City") to repair items associated with the water and sewer system serving the Condominium shall be limited solely to repair and/or replacement of the lines and pipes and any asphalt repairs related thereto. The Association shall be solely responsible for replacement of concrete and/or brick pavers that may be necessary in connection with the City's repair or replacement of the water and sewer systems as aforesaid.

7.3 Specific Unit Owner Responsibility. The obligation to maintain and repair any air conditioning equipment, plumbing or electrical fixtures or other items of property which service a particular Unit or Units shall be the responsibility of the applicable Unit Owners, individually, and not the Association, without regard to whether such items are included within the boundaries of the Units.

8. Additions, Improvements or Alterations by the Association. Whenever in the judgment of the Board of Directors, the Common Elements, the Association Property, or any part of either, shall require capital additions, alterations or improvements (as distinguished from repairs and replacements) costing in excess of \$50,000 in the aggregate in any calendar year, the Association may proceed with such additions, alterations or improvements only if the making of such additions, alterations or improvements shall have been approved by a majority of the voting interests represented at a meeting at which a quorum is attained. Any such additions, alterations or improvements to such Common Elements, the Association Property, or any part of either, costing in the aggregate \$50,000 or less in a calendar year may be made by the Association without approval of the Unit Owners. The cost and expense of any such additions, alterations or improvements to such Common Elements or Association Property shall constitute a part of the Common Expenses and shall be assessed to the Unit Owners as Common Expenses. For purposes of this section, "aggregate in any calendar year" shall include the total debt incurred in that year, if such debt is incurred to perform the above-stated purposes, regardless of whether the repayment of any part of that debt is required to be made beyond that year. This provision shall apply instead of Section 718.113(2) of the Act.

9. Additions, Alterations or Improvements by Unit Owner.

9.1 Consent of the Board of Directors. No Unit Owner shall make any addition, alteration or improvement in or to the Common Elements, the Association Property, his Unit or any Limited Common Element without the prior written consent of the Board of Directors of the Association. The Board shall have the obligation to answer, in writing, any written request by a Unit Owner for approval of such an addition, alteration or improvement within fifteen (15) days after such request and all additional information requested is received, and the failure to do so within the stipulated time shall constitute the Board's consent. The Board may condition the approval in any manner, including, without limitation, retaining approval rights of the contractor to perform the work. The proposed additions, alterations and improvements by the Unit Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction, and with any conditions imposed by the Association with respect to design, structural integrity, aesthetic appeal, construction details, lien protection or otherwise. Once approved by the Board of Directors, such approval may not be revoked. A Unit Owner making or causing to be made any such additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Owner, and his heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, the Developer and all other Unit Owners harmless from and to indemnify them for any liability or damage to the Condominium and/or Association Property and expenses arising

therefrom, and shall be solely responsible for the maintenance, repair and insurance thereof from and after that date of installation or construction thereof as may be required by the Association. The Association's rights of review and approval of plans and other submissions under this Declaration are intended solely for the benefit of the Association. Neither the Developer, the Association nor any of its officers, directors, employees, agents, contractors, consultants or attorneys shall be liable to any Owner or any other person by reason of mistake in judgment, failure to point out or correct deficiencies in any plans or other submissions, negligence, or any other misfeasance, malfeasance or non-feasance arising out of or in connection with the approval or disapproval of any plans or submissions. Anyone submitting plans hereunder, by the submission of same, and any Owner, by acquiring title to same, agrees not to seek damages from the developer and/or the Association arising out of the Association's review of any plans hereunder. Without limiting the generality of the foregoing, the Association shall not be responsible for reviewing, nor shall its review of any plans be deemed approval of, any plans from the standpoint of structural safety, soundness, workmanship, materials, usefulness, conformity with building or other codes or industry standards, or compliance with governmental requirements. Further, each Owner (including the successors and assigns) agrees to indemnify and hold the Developer and the Association harmless from and against any and all costs, claims (whether rightfully or wrongfully asserted), damages, expenses or liabilities whatsoever (including, without limitation, reasonable attorneys' fees and court costs at all trial and appellate levels), arising out of any review of plans by the Association hereunder.

9.2 Improvements, Additions or Alterations by Developer. Anything to the contrary notwithstanding, the foregoing restrictions of this Section 9 shall not apply to Developer-owned Units. The Developer shall have the additional right, without the consent or approval of the Board of Directors or other Unit Owners, to (a) make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary, in, to and upon any Unit owned by it and Limited Common Elements appurtenant thereto (including, without limitation, the removal of walls, floors, ceilings and other structural portions of the Improvements), and (b) expand, alter or add to all or any part of the recreational facilities. Any amendment to this Declaration required by a change made by the Developer pursuant to this Section 9.2 shall be adopted in accordance with Section 6 and Section 10 of this Declaration.

10. Changes in Developer-Owned Units. Without limiting the generality of the provisions of paragraph 9.2 above, and anything to the contrary notwithstanding, the Developer shall have the right, without the vote or consent of the Association or Unit Owners, to (i) make alterations, additions or improvements in, to and upon Units owned by the Developer, whether structural or non-structural, interior or exterior, ordinary or extraordinary; (ii) change the layout or number of rooms in any Developer-owned Units; (iii) change the size of Developer-owned Units by combining separate Developer-owned Units into a single apartment (although being kept as two separate legal Units), or otherwise; and (iv) reapportion among the Developer-owned Units affected by such change in size pursuant to the preceding clause, their appurtenant interests in the Common Elements and share of the Common Surplus and Common Expenses; provided, however, that the percentage interest in the Common Elements and share of the Common Surplus and Common Expenses of any Units (other than the affected Developer-owned Units) shall not be changed by reason thereof unless the Owners of such Units shall consent thereto and, provided further, that Developer shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction in so doing. In making the above alterations, additions and improvements, the Developer may relocate and alter Common Elements adjacent to or near such Units, incorporate portions of the Common Elements into adjacent Units and

incorporate Units into adjacent Common Elements, provided that such relocation and alteration does not materially adversely affect the market value or ordinary use of Units owned by Unit Owners other than the Developer. Any amendments to this Declaration required by changes of the Developer made pursuant to this Section 10, shall be effected by the Developer alone pursuant to Section 6.4, without the vote or consent of the Association or Unit Owners (or their mortgagees) required, except to the extent that any of same constitutes a Material Amendment, in which event, the amendment must be approved as set forth in Section 6.2 above. Without limiting the generality of Section 6.4 hereof, the provisions of this Section may not be added to, amended or deleted without the prior written consent of the Developer.

11. Operation of the Condominium by the Association; Powers and Duties.

11.1 Powers and Duties. The Association shall be the entity responsible for the operation of the Condominium and the Association Property. The powers and duties of the Association shall include those set forth in the By-Laws and Articles of Incorporation of the Association (respectively, Exhibits "4" and "5" annexed hereto), as amended from time to time. In addition, the Association shall have all the powers and duties set forth in the Act, as well as all powers and duties granted to or imposed upon it by this Declaration, including, without limitation:

- (a) The irrevocable right to have access to each Unit from time to time during reasonable hours as may be necessary for pest control purposes and for the maintenance, repair or replacement of any Common Elements or any portion of a Unit, if any, to be maintained by the Association, or at any time and by force, if necessary, to prevent damage to the Common Elements, the Association Property or to a Unit or Units, including, without limitation, (but without obligation or duty) to close hurricane shutters in the event of the issuance of a storm watch or storm warning.
- (b) The power to make and collect Assessments and other charges against Unit Owners and to lease, maintain, repair and replace the Common Elements and Association Property.
- (c) The duty to maintain accounting records according to good accounting practices, which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times upon prior request. All accounting records shall be made reasonably accessible to the Primary Institutional First Mortgagee.
- (d) The power to contract for the management and maintenance of the Condominium Property and to authorize a management agent (who may be an affiliate of the Developer) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of Common Elements with such funds as shall be made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties granted in the Condominium Documents and the Condominium Act, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.
- (e) The power to borrow money, execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in

property owned by the Association, if any, provided that such actions are approved by a majority of the entire membership of the Board of Directors and a majority of the Units represented at a meeting at which a quorum has been attained, or by such greater percentage of the Board or Unit Owners as may be specified in the By-Laws with respect to certain borrowing.

- (f) The power to adopt and amend rules and regulations concerning the details of the operation and use of the Condominium and Association Property.
- (g) The power to acquire, convey, lease and encumber real and personal property. Personal property shall be acquired, conveyed, leased or encumbered upon a majority vote of the Board of Directors, subject to Section 8 hereof. Real property (including, without limitation, any of the Units) shall be acquired, conveyed, leased or encumbered upon a majority vote of the Board of Directors alone; provided that the requirements of Section 8 pertaining to the Unit Owners' approval of costs in excess of the threshold amount stated therein (including the proviso regarding the debt incurred) shall also apply to the acquisition of real property; provided, further, however, that the acquisition of any Unit as a result of a foreclosure of the lien for Assessments (or by deed in lieu of foreclosure) shall be made upon the majority vote of the Board, regardless of the price for same and the Association, through its Board, has the power to hold, lease, mortgage or convey the acquired Unit(s) without requiring the consent of Unit Owners. The expenses of ownership (including the expense of making and carrying any mortgage related to such ownership), rental, membership fees, taxes, Assessments, operation, replacements and other expenses and undertakings in connection therewith shall be Common Expenses.
- (h) The power to execute all documents or consents, on behalf of all Unit Owners (and their mortgagees), required by all governmental and/or quasi-governmental agencies in connection with land use and development matters (including, without limitation, plats, waivers of plat, unities of title, covenants in lieu thereof, etc.), and in that regard, each Owner, by acceptance of the deed to such Owner's Unit, and each mortgagee of a Unit Owner by acceptance of a lien on said Unit, appoints and designates the President of the Association, as such Owner's agent and attorney-in-fact, coupled with an interest, to execute any and all such documents or consents.
- (i) All of the powers which a corporation not for profit in the State of Florida may exercise pursuant to this Declaration, the Articles of Incorporation, the Bylaws, Chapters 607 and 617, Florida Statutes and the Act, in all cases except as expressly limited or restricted in the Act.

In the event of conflict among the powers and duties of the Association or the terms and provisions of this Declaration and the exhibits attached hereto, or otherwise, this Declaration shall take precedence over the Articles of Incorporation, By-Laws and applicable rules and regulations; the Articles of Incorporation shall take precedence over the By-Laws and applicable rules and regulations; and the By-Laws shall take precedence over applicable rules and regulations, all as amended from time to time. Notwithstanding anything in this Declaration or its exhibits to the contrary, the Association shall at all times be the entity having ultimate control over the Condominium, consistent with the Act.

- 11.2 Limitation Upon Liability of Association. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Unit Owners regardless of whether or not same shall have been approved by the Association pursuant to Section 9 hereof. The Association also shall not be liable to any Unit Owner or lessee or to any other person or entity for any property damage, personal injury, death or other liability on the grounds that the Association did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby; or (ii) even if required, the Association could not obtain such insurance at reasonable costs or upon reasonable terms.
- 11.3 Restraint Upon Assignment of Shares in Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.
- 11.4 Approval or Disapproval of Matters. Whenever the decision of a Unit Owner is required upon any matter, whether or not the subject of an Association meeting, that decision shall be expressed by the same person who would cast the vote for that Unit if at an Association meeting, unless the joinder of all record Owners of the Unit is specifically required by this Declaration or by law.
- 11.5 Acts of the Association. Unless the approval or action of Unit Owners, and/or a certain specific percentage of the Board of Directors of the Association, is specifically required in this Declaration, the Articles of Incorporation or By-Laws of the Association, applicable rules and regulations or applicable law, all approvals or actions required or permitted to be given or taken by the Association shall be given or taken by the Board of Directors, without the consent of Unit Owners, and the Board may so approve and act through the proper officers of the Association without a specific resolution. When an approval or action of the Association is permitted to be given or taken hereunder or thereunder, such action or approval may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal.
- 11.6 Effect on Developer. If the Developer holds a Unit for sale in the ordinary course of business, none of the following actions may be taken without the prior written approval of the Developer:
- (a) Assessment of the Developer as a Unit Owner for capital improvements;
 - (b) Any action by the Association that would be detrimental to the sales of Units by the Developer or the assignment of Limited Common Elements by the Developer for consideration; provided, however, that an increase in Assessments for Common Expenses without discrimination against the Developer shall not be deemed to be detrimental to the sales of Units.
12. Determination of Common Expenses and Fixing of Assessments Therefor. The Board of Directors shall from time to time, and at least annually, prepare a budget for the Condominium and the Association, determine the amount of Assessments payable by the Unit Owners to meet

the Common Expenses of the Condominium and allocate and assess such expenses among the Unit Owners in accordance with the provisions of this Declaration and the By-Laws. The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the Assessments payable by each of them as determined by the Board of Directors as aforesaid and shall furnish copies of the budget, on which such Assessments are based, to all Unit Owners and (if requested in writing) to their respective mortgagees. The Common Expenses shall include the expenses of and reserves for (if required by, and not waived in accordance with, applicable law) the operation, maintenance, repair and replacement of the Common Elements and Association Property, costs of carrying out the powers and duties of the Association and any other expenses designated as Common Expenses by the Act, this Declaration, the Articles or By-Laws of the Association, applicable rules and regulations or by the Association. Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board shall determine from time to time, and need not be restricted or accumulated. Any Budget adopted shall be subject to change to cover actual expenses at any time. Any such change shall be adopted consistent with the provisions of this Declaration and the By-Laws.

13. Collection of Assessments.

13.1 Liability for Assessments. A Unit Owner, regardless of how title is acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, shall be liable for all Assessments coming due while he is the Unit Owner. Additionally, a Unit Owner shall be jointly and severally liable with the previous Owner for all unpaid Assessments that came due up to the time of the conveyance, without prejudice to any right the Owner may have to recover from the previous Owner the amounts paid by the grantee Owner. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments are made or otherwise.

13.2 Special and Capital Improvement Assessments. In addition to the general Assessments levied by the Association to meet the Common Expenses of the Condominium and the Association, the Board of Directors may levy "Special Assessments." "Special Assessments" shall mean and refer to all assessments not collected pursuant to an annual budget, including, without limitation, a (i) charge against each Owner and his Unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature which are not in the nature of capital improvements; and (ii) charge against each Owner and his Unit, representing a portion of the costs incurred by the Association for the acquisition, installation, construction or replacement (as distinguished from repairs and maintenance) of any capital improvements located or to be located within the Common Elements or Association Property. Special Assessments may be levied by the Board and shall be payable in lump sums or installments, in the discretion of the Board.

13.3 Default in Payment of Assessments for Common Expenses. Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at fifteen percent (15%) per annum from the date due until paid and shall be subject to an administrative late fee in an amount not to exceed the greater of \$25.00 or five percent (5%) of each delinquent installment. The Association has a lien on each Condominium Parcel to secure the payment of Assessments. Except as set forth below, the lien is effective from, and shall relate back to, the date of the recording of this Declaration. However, as to first mortgages of record, the lien is effective from and after

recording of a claim of lien. The lien shall be evidenced by the recording of a claim of lien in the Public Records of the County. To be valid, the claim of lien must state the description of the Condominium Parcel, the name of the record Owner, the name and address of the Association, the amount due and the due dates, and the claim of lien must be executed and acknowledged by an officer of the Association. The claim of lien shall not be released until all sums secured by it (or such other amount as to which the Association shall agree by way of settlement) have been fully paid or until it is barred by law. No such lien shall be effective longer than one (1) year after the claim of lien has been recorded unless, within that one (1) year period, an action to enforce the lien is commenced. The one (1) year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the Owner or any other person claiming an interest in the Unit. The claim of lien shall secure (whether or not stated therein) all unpaid Assessments, which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, as well as interest and all reasonable costs and attorneys' fees incurred by the Association incident to the collection process. Upon payment in full, the person making the payment is entitled to a satisfaction of the lien in recordable form. The Association may bring an action in its name to foreclose a lien for unpaid Assessments in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments without waiving any claim of lien. The Association is entitled to recover its reasonable attorneys' fees and costs incurred either in a lien foreclosure action or an action to recover a money judgment for unpaid Assessments.

Additionally, each Owner of any Unit by acceptance of a deed therefor or other conveyance thereof, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to have assigned all rents, issues and profits (the "Collateral Assignment of Rents") on each such Unit to the Association, which Collateral Assignment of Rents shall become absolute upon default of such Unit Owner hereunder. Rents so assigned shall be paid in accordance with Section 718.116(6)(c) of the Act.

As an additional right and remedy of the Association, upon default in the payment of Assessments as aforesaid and after thirty (30) days' prior written notice to the applicable Unit Owner and the recording of a claim of lien, the Association may declare the installments due for the balance of the fiscal year to be accelerated and immediately due and payable. In the event that the amount of such installments changes during the balance of the fiscal year, the Unit Owner or the Association, as appropriate, shall be obligated to pay or reimburse to the other the amount of increase or decrease within ten (10) days of same taking effect.

- 13.4 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as

permitted by law. The notice requirements of this subsection are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.

13.5 Appointment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit. If the Unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent. The expenses of such receiver shall be paid by the party which does not prevail in the foreclosure action.

13.6 Institutional First Mortgagee. The liability of an Institutional First Mortgagee, or its successor or assignees, who acquire title to a Unit by foreclosure or by deed in lieu of foreclosure for the unpaid Assessments (or installments thereof) that became due prior to the Institutional First Mortgagee's acquisition of title is limited to the lesser of:

- (a) The Unit's unpaid Common Expenses and regular periodic Assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or
- (b) One percent (1%) of the original mortgage debt.

As to a Unit acquired by foreclosure or deed in lieu of foreclosure, the limitations set forth in clauses (a) and (b) above shall not apply unless the Institutional First Mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association, however, is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to or reasonably discoverable by the mortgagee.

An Institutional First Mortgagee acquiring title to a Unit as a result of foreclosure or deed in lieu thereof may not, during the period of its ownership of such Unit, whether or not such Unit is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership.

13.7 Developer's Liability for Assessments. During the period from the date of the recording of this Declaration until the earlier of the following dates (the "Guarantee Expiration Date"): (a) the last day of the sixth (6th) full calendar month following the recording of this Declaration, or (b) the date that control of the Association is transferred to Unit Owners other than the Developer as provided in the By-Laws and the Act, the Developer shall not be obligated to pay the share of Common Expenses and Assessments attributable to the Units owned by the Developer, provided: (i) that the regular Assessments for Common Expenses imposed on each Unit Owner other than the Developer prior to the Guarantee Expiration Date shall not increase during such period, subject only to the occurrence of an Extraordinary Financial Event, and (ii) that the Developer shall be obligated to pay any amount of Common Expenses actually incurred during such period and not produced by the Assessments at the guaranteed levels receivable from other Unit Owners and/or from income of the Association. The initial amount of Assessments per month per Unit, other than any Developer owned Units, are as follows: Type A/\$384.94; Type B/\$365.55; Type C/\$423.71; Type D/\$392.63; Type E/\$429.25; Type F/\$466.79; Penthouse A/\$659.72; Penthouse B/\$520.63; Penthouse C/\$508.33; and Penthouse D/\$768.03. After the Guarantee Expiration Date, the Developer shall have the option of extending the guarantee for up to four (4) additional six (6) month periods, or paying the share of Common Expenses and Assessments attributable to Units it then owns. Notwithstanding

the above and as provided in Section 718.116(9)(a)(2) of the Act, in the event of an Extraordinary Financial Event (as hereinafter defined), the costs necessary to effect restoration shall be assessed against all Unit Owners owning Units on the date of such natural disaster or Act of God, and their successors and assigns, including the Developer (with respect to Units owned by the Developer). As used in this subsection, an "Extraordinary Financial Event" shall mean a casualty loss affecting the Condominium resulting from a natural disaster or Act of God, which is not covered by insurance proceeds from the insurance maintained by the Association as required by Section 718.111(11)(a) of the Act.

- 13.8 Estoppel Statement. Within fifteen (15) days after receiving a written request therefor from a purchaser, Unit Owner or mortgagee of a Unit, the Association shall provide a certificate, signed by an officer or agent of the Association, stating all Assessments and other moneys owed to the Association by the Unit Owner with respect to his Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby. To the extent permitted by law, the Association shall have the right to charge a reasonable fee for the issuance of an estoppel statement.
- 13.9 Installments. Regular Assessments shall be collected monthly or quarterly, in advance, at the option of the Association. Initially, assessments will be collected monthly.
- 13.10 Application of Payments. Any payments received by the Association from a delinquent Unit Owner shall be applied first to any interest accrued on the delinquent installment(s) as aforesaid, then to any administrative late fees, then to any costs and reasonable attorneys' fees incurred in collection and then to the delinquent and any accelerated Assessments. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment.
14. Insurance. Insurance covering the Condominium Property and the Association Property shall be governed by the following provisions:
- 14.1 Purchase, Custody and Payment.
- (a) Purchase. All insurance policies described herein covering portions of the Condominium and Association Property shall be purchased by the Association and shall be issued by an insurance company authorized to do business in Florida.
 - (b) Approval. Each insurance policy, the agency and company issuing the policy and the Insurance Trustee (if appointed) hereinafter described shall be subject to the approval of the Primary Institutional First Mortgagee in the first instance, if requested thereby.
 - (c) Named Insured. The named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them, and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be deemed additional insureds.
 - (d) Custody of Policies and Payment of Proceeds. All policies shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee (if appointed), and all copies of policies and endorsements thereto shall be deposited with the Insurance Trustee (if appointed). Any such original insurance

policies and endorsements are official records of the Association and shall be available for inspection by Unit Owners pursuant to Section 718.111(12)(c) of the Act.

- (e) Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy, or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.
- (f) Personal Property and Liability. Except as specifically provided herein or by the Act, the Association shall not be responsible to Unit Owners to obtain insurance coverage upon the property lying within the boundaries of their Unit, including, but not limited to, their personal property, and for their personal liability and living expense and for any other risks not otherwise insured in accordance herewith.

14.2 Coverage. The Association shall maintain insurance covering the following:

- (a) Casualty. ~~The Building (including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units and required by the Act to be insured under the Association's policies) and all Improvements located on the Common Elements and the Association Property from time to time, together with all fixtures, building service equipment, personal property and supplies constituting the Common Elements or Association Property (collectively the "Insured Property"), shall be insured in an amount not less than 100% of the full insurable replacement value thereof, excluding foundation and excavation costs. Notwithstanding the foregoing, the Insured Property shall not include, and shall specifically exclude, all furniture, furnishings, Unit floor coverings, wall coverings and ceiling coverings, other personal property owned, supplied or installed by Unit Owners or tenants of Unit Owners, and all electrical fixtures, appliances, air conditioner and heating equipment, water heaters and built-in cabinets, to the extent that any of same are required to be repaired or replaced by the Unit Owners. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.~~
- (b) Liability. Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board of Directors of the Association, but with combined single limit liability of not less than \$1,000,000 for each accident or occurrence, \$100,000 per person and \$50,000 property damage, and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa. The Association may also obtain and maintain liability insurance for its directors and officers and for the benefit of the Association's employees.

- (c) Worker's Compensation and other mandatory insurance, when applicable.
- (d) Flood Insurance covering the Common Elements, Association Property and Units if required by the Primary Institutional First Mortgagee or FNMA/FHLMC, or if the Association so elects.
- (e) Fidelity Insurance or Fidelity Bonds. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse Association funds, which shall include, without limitation, those individuals authorized to sign Association checks and the president, secretary and treasurer of the Association. The insurance policy or fidelity bond shall be in such amount as shall be determined by a majority of the Board, but must be sufficient to cover the maximum funds that will be in the custody of the Association or its management agent at any one time. The premiums on such bonds and/or insurance shall be paid by the Association as a Common Expense.
- (f) Association Property. Appropriate additional policy provisions, policies or endorsements extending the applicable portions of the coverage described above to all Association Property, where such coverage is available.
- (g) Such Other Insurance. Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) subrogation against the Association and against the Unit Owners individually and as a group, (ii) to pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, a member of the Board of Directors of the Association, one or more Unit Owners or as a result of contractual undertakings. Additionally, each policy shall provide that any insurance trust agreement will be recognized, that the insurance provided shall not be prejudiced by any act or omissions of individual Unit Owners that are not under the control of the Association, and that the policy shall be primary, even if a Unit Owner has other insurance that covers the same loss.

Every casualty insurance policy obtained by the Association, if required by FNMA/FHLMC, shall have the following endorsements: (i) agreed amount and inflation guard and (ii) steam boiler coverage (providing at least \$50,000 coverage for each accident at each location), if applicable.

- 14.3 Additional Provisions. All policies of insurance shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days' prior written notice to all of the named insureds, including all mortgagees of Units. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of Directors may (or if required by FNMA/FHLMC, shall) obtain an appraisal from a fire insurance company, or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section.
- 14.4 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the costs of fidelity bonding for any management company employee may be paid by such company pursuant to its

contract with the Association. Premiums may be financed in such manner as the Board of Directors deems appropriate.

14.5

Insurance Trustee; Share of Proceeds. All insurance policies obtained by or on behalf of the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee which may be designated by the Board of Directors as provided in Section 14.10 below, and which, if so appointed, shall be a bank or trust company in Florida with trust powers, with its principal place of business in the State of Florida. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but shares need not be set forth on the records of the Insurance Trustee:

- (a) Insured Property. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units, that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were Optional Property as described in paragraph (b) below.
- (b) Optional Property. Proceeds on account of damage solely to Units and/or certain portions or all of the contents thereof not included in the Insured Property (all as determined by the Association in its sole discretion) (collectively the "Optional Property"), if any is collected by reason of optional insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of Owners of Units or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.
- (c) Mortgagees. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

14.6 Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners thereof in the following manner:

- (a) Expenses of the Trust. All expenses of the Insurance Trustee shall be first paid or provision shall be made therefor.
- (b) Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining

after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being payable jointly to them.

(c) Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Section 14.5 above, and distributed first to all Institutional First Mortgagees in an amount sufficient to pay off their mortgages, and the balance, if any, to the beneficial owners.

(d) Certificate. In making distributions to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.

14.7 Association as Agent. The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each holder of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

14.8 Unit Owners' Personal Coverage. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against an Owner due to accidents occurring within his Unit, nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association.

14.9 Benefit of Mortgagees. Certain provisions in this Section 14 entitled "Insurance" are for the benefit of mortgagees of Units and may be enforced by such mortgagees.

14.10 Appointment of Insurance Trustee. The Board of Directors of the Association shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Trustee, the Association will perform directly all obligations imposed upon such Trustee by this Declaration. Fees and expenses of any Insurance Trustee are Common Expenses.

14.11 Presumption as to Damaged Property. In the event of a dispute or lack of certainty as to whether damaged property constitutes a Unit(s) or Common Elements, such property shall be presumed to be Common Elements.

15. Reconstruction or Repair After Fire or Other Casualty.

15.1 Determination to Reconstruct or Repair. Subject to the immediately following paragraph, in the event of damage to or destruction of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Insurance Trustee (if appointed) shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments.

If 75% or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed and if Unit Owners owning 80% of the applicable interests in the Common Elements duly and promptly resolve not to proceed with the repair or restoration thereof and a Majority of Institutional First Mortgagees approve such resolution, the Condominium Property will not be repaired and, provided the appropriate documentation to terminate the Condominium is recorded, shall be subject to an action for partition instituted by the Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements (with respect to proceeds held for damage to the Insured Property other than that portion of the Insured Property lying within the boundaries of the Unit), and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the Insured Property lying within the boundaries of the Unit); provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such fund all mortgages and liens on his Unit in the order of priority of such mortgages and liens.

Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin not more than sixty (60) days from the date the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, or not more than ninety (90) days after the Insurance Trustee (if appointed) notifies the Board of Directors and the Unit Owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

- 15.2 Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original Improvements and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association and then applicable building and other codes, and, if the damaged property which is to be altered is the Building or the Optional Property, by the Owners of not less than 80% of the applicable interests in the Common Elements, as well as the Owners of all Units and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be altered.
- 15.3 Special Responsibility. If the damage is only to those parts of the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair, which shall be effected promptly and in accordance with guidelines established by the Board of Directors (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit by Unit basis, as determined in the sole discretion of the Association). In all other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.

UNNOTED

(a) Disbursement. The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(i) Association - Lesser Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than \$100,000, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee (if appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

(ii) Association - Major Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than \$100,000, then the construction fund shall be disbursed in payment of such costs in the manner contemplated by subparagraph (i) above, but then only upon the further approval of an architect or engineer qualified to practice in Florida and employed by the Association to supervise the work.

(iii) Unit Owners. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under-insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected Unit Owner bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs of repair for his portion of the Optional Property. All proceeds must be used to effect repairs to the Optional Property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the affected Unit Owners and their mortgagees jointly as elsewhere herein contemplated.

(iv) Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that part of a distribution to an Owner which is not in excess of Assessments paid by such Owner into the construction fund shall not be made payable jointly to any mortgagee.

(v) Certificate. Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit

UNNOTED

Owners upon Assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect, engineer or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Assessments paid by Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee may rely upon a certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

- 15.4 Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments on account of damage to the Insured Property shall be in proportion to all of the Owners' respective shares in the Common Elements, and on account of damage to the Optional Property, the Association shall charge the Owner (but shall not levy an Assessment) in proportion to the cost of repairing the damage suffered by each Owner thereof, as determined by the Association.
- 15.5 Benefit of Mortgagees. Certain provisions in this Section 15 are for the benefit of mortgagees of Units and may be enforced by any of them.
16. Condemnation.
- 16.1 Deposit of Awards with Insurance Trustee. The taking of portions of the Condominium Property or Association Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association, a charge shall be made against a defaulting Unit Owner in the amount of his award, or the amount of that award shall be set off against the sums hereafter made payable to that Owner.
- 16.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.
- 16.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and special Assessments shall be used for these purposes and shall be disbursed in the manner

provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty, or as elsewhere in this Section 16 specifically provided.

16.4 Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

- (a) Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be charged to and paid by the Owner of the Unit.
- (b) Distribution of Surplus. The balance of the award in respect of the Unit, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.

16.5 Unit Made Uninhabitable. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sole opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

- (a) Payment of Award. The awards shall be paid first to the applicable Institutional First Mortgagees in amounts sufficient to pay off their mortgages in connection with each Unit which is not so habitable; second, to the Association for any due and unpaid Assessments; third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.
- (b) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.
- (c) Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This shall be effected by restating the shares of continuing Unit Owners based on the new total number of Units in the Condominium.
- (d) Assessments. If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be

made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

(e) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within 30 days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Units Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Owners as they exist prior to the adjustments to such shares effected pursuant hereto by reason of the taking.

16.6 Taking of Common Elements. Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the mortgagee(s) of the Unit.

16.7 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration of Condominium that is only required to be approved by, and executed upon the direction of, a majority of all Directors of the Association.

17. Occupancy and Use Restrictions. In order to provide for congenial occupancy of the Condominium and Association Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:

17.1 Occupancy. Each Unit shall be used as a residence only, except as otherwise herein expressly provided, and shall be occupied in compliance with all applicable state and local laws. The provisions of this subsection 17.1 shall not be applicable to Units used by the Developer for model apartments, sales offices or management services.

17.2 Children. Children shall be permitted to be occupants of Units.

17.3 Pet Restrictions. Up to two (2) domesticated dogs and/or cats may be maintained in a Unit provided such pets are: (a) permitted to be so kept by applicable laws and regulations, (b) not left unattended on balconies or in lanai areas, (c) generally, not a nuisance to residents of other Units or of neighboring buildings and (d) not a pit bull or other breed considered to be dangerous by the Board of Directors; provided that neither the Board nor the Association shall be liable for any personal injury, death or property

damage resulting from a violation of the foregoing and any occupant of a Unit committing such a violation shall fully indemnify and hold harmless the Board of Directors, the Developer, each Unit Owner and the Association in such regard. Without limiting the generality of Section 18 hereof, a violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in the By-Laws and any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property. Notwithstanding anything herein to the contrary, no Rottweiler, Pit Bull, or other species of aggressive dog, as determined by the Board of Directors, shall be permitted in a Unit or elsewhere on the Condominium Property.

- 17.4 Alterations. Without limiting the generality of Section 9.1 hereof, but subject to Section 11 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Limited Common Elements appurtenant thereto, Common Elements or Association Property, including, but not limited to, painting or other decorating of any nature, installing any electrical wiring, television antenna, machinery, or air-conditioning units, which in any manner change the appearance of any portion of the Building, without obtaining the prior written consent of the Association (in the manner specified in section 9.1 hereof). Curtains, blinds, shutters, levelors, or drapes (or linings thereof) which face the exterior windows or glass doors of Units shall be white or off-white in color and shall be subject to disapproval by the Association, in which case they shall be removed and replaced with acceptable items.
- 17.5 Use of Common Elements and Association Property. The Common Elements and Association Property shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.
- 17.6 Nuisances. No nuisances (as defined by the Association) shall be allowed on the Condominium or Association Property, nor shall any use or practice be allowed which is a source of annoyance to occupants of Units or which interferes with the peaceful possession or proper use of the Condominium and/or Association Property by its residents, occupants or members. No activity specifically permitted by this Declaration shall be deemed a nuisance.
- 17.7 No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium or Association Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover, relating to any portion of the Condominium and/or Association Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of this Declaration, the Articles of Incorporation or By-Laws, the Association shall not be liable to any person(s) for its failure to enforce the provisions of this Section 17.7. No activity specifically permitted by this Declaration shall be deemed to be a violation of this Section.
- 17.8 Leases. Leasing of Units or portions thereof shall not be subject to the prior written approval of the Association; provided, however each lease shall specifically provide (or, if it does not, shall be automatically deemed to provide) that a material condition of the lease shall be the tenant's full compliance with the covenants, terms, conditions and restrictions of this Declaration (and all Exhibits hereto) and with any and all rules and

regulations adopted by the Association from time to time (before or after the execution of the lease). The Unit Owner will be jointly and severally liable with the tenant to the Association for any amount which is required to be paid by the Association to repair any damage to the Common Elements resulting from acts or omissions of tenants (as determined in the sole discretion of the Association) and/or to pay any claim for injury or damage to property caused by the negligence of the tenant. All leases are hereby made subordinate to any lien filed by the Condominium Association, whether prior or subsequent to such lease. If so desired by the Association, it may require a prospective lessee to place in escrow with the Association a reasonable sum, not to exceed the equivalent of one month's rental, which may be used by the Association to repair any damage to the Common Elements and/or Association Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). Payment of interest, claims against the deposit, refunds and disputes regarding the disposition of the deposit shall be handled in the same fashion as provided in Part II of Chapter 83, Florida Statutes. No lease of a Unit shall be for a period of time less than required by applicable local ordinances and codes.

When a Unit is leased, a tenant shall have all use rights in Association Property and those Common Elements otherwise readily available for use generally by Unit Owners, and the Owner of the leased Unit shall not have such rights, except as a guest, unless such rights are waived in writing by the tenant. Nothing herein shall interfere with the access rights of the Unit Owner as a landlord pursuant to Chapter 83, Florida Statutes. The Association shall have the right to adopt rules to prohibit dual usage by a Unit Owner and a tenant of Association Property and Common Elements otherwise readily available for use generally by Owners:

The Developer has no present intention of engaging in a program of renting or leasing unsold Units, but the Developer reserves the right to do so depending upon market conditions upon such terms as Developer shall approve and as permitted by the Act and the rules promulgated thereunder and subject to the filing of an amendment set forth herein. In the event any Unit is sold prior to the expiration of the term of a lease (which may occur during an indefinite period), title to such Unit (or Units) will be conveyed subject to the lease (or leases) and purchasers will succeed to the interests of the applicable lessor. As each Unit is sold subject to a lease, a copy of the executed lease will be attached to the Purchase Agreement in accordance with the terms of Section 718.503(1)(a)(4), Florida Statutes. If a Unit has been previously occupied, the Developer will so advise a prospective purchaser, in writing, prior to the time that the purchaser is requested to execute a Purchase Agreement, if required by law. Notwithstanding anything herein to the contrary, the Developer shall not engage in a program of leasing until such time as Developer files an amendment pursuant to Rule 61B-17.006, *Florida Administrative Code*, disclosing the information set forth in Rule 61B-18.008(3), *Florida Administrative Code*, and providing a copy of said amendment to the Condominium Association and every Unit Owner.

17.9 Exterior Improvements. Without limiting the generality of Sections 9.1 or 17.4 hereof, but subject to any provision of this Declaration specifically permitting same, no Unit Owner shall cause anything other than a respectful display of the United States flag, to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Building (including, but not limited to, awnings, signs, storm shutters, screens, window tinting, furniture, fixtures and equipment), without the prior written consent of the Association.

- 17.10 Association Access to Units. In order to facilitate access to Units by the Association for the purposes enumerated in Section 11.1(a) hereof, it shall be the responsibility of all Unit Owners to deliver a set of keys to their respective Units to the Association to use in the performance of its functions. No Unit Owner shall change the locks to his Unit without so notifying the Association and delivering to the Association a new set of keys to such Unit.
- 17.11 Hurricane Shutters. The Board of Directors shall, from time to time, establish hurricane shutter specifications which comply with the applicable building code, and establish permitted colors, styles and materials for hurricane shutters. Subject to the provisions of Section 9.1 above, the Association shall approve the installation or replacement of hurricane shutters conforming with the Board's specifications. The Board may, with the approval of a majority of voting interests in the Condominium, install hurricane shutters, and may (without requiring approval of the membership) maintain, repair or replace such approved shutters, whether on or within Common Elements, Limited Common Elements, Units or Association Property; provided, however, that if laminated glass, in accordance with all applicable building codes and standards, architecturally designed to serve as hurricane protection, is installed, the Board may not install hurricane shutters in accordance with this provision: All shutters shall remain open unless and until a storm watch or storm warning is announced by the National Weather Center or other recognized weather forecaster and all shutters must be promptly removed, or opened as applicable, after the storm has passed. A Unit Owner or occupant who plans to be absent during all or any portion of the hurricane season must prepare his Unit prior to his departure by either securing his Unit against a hurricane or designating a responsible firm or individual to care for his Unit should a hurricane threaten the Unit or should the Unit suffer hurricane damage, and furnishing the Association with the name(s) of such firm or individual (without imposing any obligation on the Association).
- 17.12 Relief by Association. The Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 17 for good cause shown.
- 17.13 Effect on Developer. Subject to the following exceptions, the restrictions and limitations set forth in this Section 17 shall not apply to the Developer nor to Units owned by the Developer. The Developer shall not be exempt from the restrictions, if any, relating to requirements that leases or lessees be approved by the Association, pet restrictions, occupancy of Units based on age and vehicular restrictions, except as such vehicular restrictions relate to the Developer's construction, maintenance and marketing activities.
18. Compliance and Default. The Association, each Unit Owner, occupant of a Unit, tenant and other invitee of a Unit Owner shall be governed by and shall comply with the terms of this Declaration and all exhibits annexed hereto and the rules and regulations adopted pursuant to those documents, as the same may be amended from time to time and the provisions of all of such documents shall be deemed incorporated into any lease of a Unit whether or not expressly stated in such lease. The Association (and Unit Owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:
- 18.1 Mandatory Nonbinding Arbitration of Disputes. Prior to the institution of court litigation, the parties to a Dispute shall petition the Division for nonbinding arbitration. The arbitration shall be conducted according to rules promulgated by the Division and before arbitrators employed by the Division. The filing of a petition for arbitration shall toll the applicable statute of limitation for the applicable Dispute, until the arbitration proceedings are completed. Any arbitration decision shall be presented to the parties in writing, and shall be deemed final if a complaint for trial de novo is not filed in a court of competent

jurisdiction in which the Condominium is located within thirty (30) days following the issuance of the arbitration decision. The prevailing party in the arbitration proceeding shall be awarded the costs of the arbitration, and attorneys' fees and costs incurred in connection with the proceedings. The party who files a complaint for a trial de novo shall be charged the other party's arbitration costs, courts costs and other reasonable costs, including, without limitation, attorneys' fees, investigation expenses and expenses for expert or other testimony or evidence incurred after the arbitration decision, if the judgment upon the trial de novo is not more favorable than the arbitration decision. If the judgment is more favorable, the party who filed a complaint for trial de novo shall be awarded reasonable court costs and attorneys' fees. Any party to an arbitration proceeding may enforce an arbitration award by filing a petition in a court of competent jurisdiction in which the Condominium is located. A petition may not be granted unless the time for appeal by the filing of a complaint for a trial de novo has expired. If a complaint for a trial de novo has been filed, a petition may not be granted with respect to an arbitration award that has been stayed. If the petition is granted, the petitioner may recover reasonable attorneys' fees and costs incurred in enforcing the arbitration award.

- 18.2 Negligence and Compliance. A Unit Owner and/or tenant of a Unit shall be liable for the expense of any maintenance, repair or replacement made necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent such expense is not met by the proceeds of insurance actually collected by the Association in respect of such negligence. In the event a Unit Owner, tenant or occupant fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the provisions of the Declaration, the By-Laws, the Articles of Incorporation, applicable rules and regulations, or any other agreement, document or instrument affecting the Condominium Property or administered by the Association, in the manner required, the Association shall have the right to proceed in equity to require performance and/or compliance, to impose any applicable fines, to sue at law for damages, and to charge the Unit Owner for the sums necessary to do whatever work is required to put the Unit Owner or Unit in compliance, provided, however, that nothing contained in this Section 18.2 shall authorize the Association to enter a Unit to enforce compliance. In any proceeding arising because of an alleged failure of a Unit Owner, a tenant or the Association to comply with the requirements of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees). A Unit Owner prevailing in an action with the Association, in addition to recovering his reasonable attorneys' fees, may recover additional amounts as determined by the court to be necessary to reimburse the Unit Owner for his share of Assessments levied by the Association to fund its expenses of the litigation.

19. Termination of Condominium. The Condominium shall continue until (a) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration, or (b) such time as withdrawal of the Condominium Property from the provisions of the Act is authorized by a vote of Owners owning at least 80% of the applicable interests in the Common Elements and by the Institutional First Mortgagees of Units to which at least sixty-seven percent (67%) of the voting interests of Units subject to mortgages held by Institutional First Mortgagees are appurtenant. In the event such withdrawal is authorized as aforesaid, and provided that the Board first notifies the Division of an intended withdrawal, the Condominium Property shall be subject to an action for partition by any Unit Owner, mortgagee or lienor as if owned in common in which event the net proceeds of the partition sale shall be divided among all Unit Owners in

proportion to their respective interests in the Common Elements, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such net proceeds all mortgages and liens on his Unit in the order of their priority. The termination of the Condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to the basis of the termination and said certificate shall be recorded among the public records of the County. The Association shall not pay a dividend to its members and shall make no distribution of income to its members, directors or officers, and upon dissolution, all assets of the Association shall be transferred only to another non-profit corporation or a public agency or as otherwise authorized by the Florida Not For Profit Corporation Act (Chapter 617, Florida Statutes). This Section may not be amended without the consent of the Primary Institutional First Mortgagee, which consent shall not be unreasonably withheld, and the Developer, as long as it owns any Unit. The Association shall, within thirty (30) business days following such recordation, provide the Division with a copy of such recorded certificate.

20. Additional Rights of Mortgagees and Others.

As to such warranties which cannot be disclaimed, and to other claims, if any, which can be made as to the aforesaid matters, all incidental and consequential damages arising therefrom are hereby disclaimed.

All Unit Owners, by virtue of acceptance of title to their respective Units (whether from the Developer or another party) shall be deemed to have automatically waived all of the aforesaid disclaimed warranties and incidental and consequential damages.

23. Surface Water Management System Facilities.

23.1 The Surface Water Management System Facilities are located on land that shall be conveyed to the Association by the Developer prior to or at such time as construction of the Condominium is completed.

(a) Except as to vacancies resulting from removal of Directors by members (as addressed in subsection (b) below), vacancies in the Board of Directors occurring between annual meetings of members shall be filled by a majority vote of the remaining Directors at any Board meeting (even if the remaining Directors constitute less than a quorum), provided that all vacancies in directorships to which Directors were appointed by the Developer pursuant to the provisions of paragraph 4.15 hereof shall be filled by the Developer without the necessity of any meeting.

(b) Any Director elected by the members (other than the Developer) may be removed by concurrence of a majority of the voting interests of the members at a special meeting of members called for that purpose or by written agreement signed by a majority of all voting interests. The vacancy in the Board of Directors so created shall be filled by the members at a special meeting of the members called for such purpose, or by the Board of Directors, in the case of removal by a written agreement unless said agreement also designates a new Director to take the place of the one removed. At least thirty (30) days prior to applying to the Circuit Court, the Unit Owner shall mail to the Association and post in a conspicuous place on the Condominium Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these By-Laws. If, during such time, the Association fails to fill the vacancy(ies), the Unit Owner may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. BY-LAWS
OF
BAYVIEW CONDOMINIUMS CLEARWATER ASSOCIATION, INC.

*A corporation not for profit organized
under the laws of the State of Florida*

1. Identity. These are the By-Laws of **BAYVIEW CONDOMINIUMS CLEARWATER ASSOCIATION, INC.** (the "Association"), a corporation not for profit incorporated under the laws of the State of Florida, and organized for the purposes set forth in its Articles of Incorporation.
 - 1.1 Fiscal Year. The fiscal year of the Association shall be the twelve month period commencing January 1st and terminating December 31st of each year.
 - 1.2 Seal. The seal of the Association shall bear the name of the corporation, the word "Florida", the words "Corporation Not for Profit", and the year of incorporation.
2. Definitions. For convenience, these By-Laws shall be referred to as the "By-Laws" and the Articles of Incorporation of the Association as the "Articles". The other terms used in these By-Laws shall have the same definitions and meanings as those set forth in the Declaration for **BAYVIEW CONDOMINIUMS CLEARWATER**, unless herein provided to the contrary, or unless the context otherwise requires.
3. Members.
 - 3.1 Annual Meeting. The annual members' meeting shall be held on the date, at the place and at the time determined by the Board of Directors from time to time, provided that there shall be an annual meeting every calendar year and, to the extent possible, no later than thirteen (13) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors, and to transact any other business authorized to be transacted by the members, or as stated in the notice of the meeting sent to Unit Owners in advance thereof. Unless changed by the Board of Directors, the first annual meeting shall be held in the month of October following the year in which the Declaration is filed.
 - 3.2 Special Meetings. Special members' meetings shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board of Directors of the Association, and must be called by the President or Secretary upon receipt of a written request from a majority of the members of the Association. The business conducted at a special meeting shall be limited to that stated in the notice of the meeting. Special meetings may also be called by Unit Owners in the manner provided for in the Act. Notwithstanding the foregoing: (i) as to special meetings regarding the adoption of the Condominium's estimated operating budget, reference should be made to Section 10.1 of these By-Laws; and (ii) as to special meetings regarding recall of Board members, reference should be made to Section 4.3 of these By-Laws.
 - 3.3 Participation by Unit Owners. Subject to the following and such further reasonable restrictions as may be adopted from time to time by the Board, Unit Owners shall have the right to speak at the annual and special meetings of the Unit Owners, committee meetings and Board meetings with reference to all designated agenda items. A Unit Owner does not have the right to speak with respect to items not specifically designated on the agenda, provided, however, that the Board may permit an Unit Owner to speak on such items in its discretion. Every Unit Owner who desires to speak at a meeting, may do so, provided that the Unit Owner has filed a written request with the Secretary of the Association not less than 18 hours prior to the scheduled time for commencement of the

meeting. Unless waived by the chairman of the meeting (which may be done in the chairman's sole and absolute discretion and without being deemed to constitute a waiver as to any other subsequent speakers), all Unit Owners speaking at a meeting shall be limited to a maximum of three (3) minutes per speaker. Any Unit Owner may tape record or videotape a meeting, subject to the following and such further reasonable restrictions as may be adopted from time to time by the Board:

- (a) The only audio and video equipment and devices which Unit Owners are authorized to utilize at any such meeting is equipment which does not produce distracting sound or light emissions;
- (b) Audio and video equipment shall be assembled and placed in position in advance of the commencement of the meeting.
- (c) Anyone videotaping or recording a meeting shall not be permitted to move about the meeting room in order to facilitate the recording; and
- (d) At least 18 hours prior written notice shall be given to the Secretary of the Association by any Unit Owner desiring to make an audio or video taping of the meeting.

- 3.4 Notice of Meeting; Waiver of Notice. Notice of a meeting of members (annual or special), stating the time and place and the purpose(s) for which the meeting is called, shall be given by the President or Secretary. A copy of the notice shall be posted at a conspicuous place on the Condominium Property. The notice of the annual meeting shall be hand delivered or sent by regular mail to each Unit Owner, unless the Unit Owner waives in writing the right to receive notice of the annual meeting by mail. The delivery or mailing shall be to the address of the member as it appears on the roster of members. Where a Unit is owned by more than one person, the Association shall provide notice, for meetings and all other purposes, to that one address initially identified for that purpose by the Developer and thereafter as one or more of the Owners of the Unit shall so advise the Association in writing, or if no address is given or if the Owners disagree, notice shall be sent to the address for the Owner as set forth on the deed of the Unit. The posting and mailing of the notice for either special or annual meetings, which notice shall incorporate an identification of agenda items, shall be effected not less than fourteen (14) continuous days, nor more than thirty four (34) days, prior to the date of the meeting. The Board shall adopt by rule, and give notice to Unit Owners of, a specific location on the Condominium Property upon which all notices of members' meetings shall be posted.

Notice of specific meetings may be waived before or after the meeting and the attendance of any member (or person authorized to vote for such member), either in person or by proxy, shall constitute such member's waiver of notice of such meeting, and waiver of any and all objections to the place of the meeting, the time of the meeting or the manner in which it has been called or convened, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

An officer of the Association, or the manager or other person providing notice of the meeting shall provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the Association, affirming that notices of meetings were posted and mailed or hand delivered in accordance with this Section and Section 718.112(2)(d) of the Act, to each Unit Owner at the appropriate address for such Unit Owner. No other proof of notice of a meeting shall be required.

- 3.5 Quorum. A quorum at members' meetings shall be attained by the presence, either in person or by proxy (limited or general), of persons entitled to cast in excess of 33 1/3% of the votes of members entitled to vote at the subject meeting.

3.6 Voting.

- (a) Number of Votes. Except as provided in Section 3.11 hereof, and except when the vote is to be determined by a percentage of shares of ownership in the Condominium (as contemplated in specific portions of the Declaration), in any meeting of members, the Owners of each Unit shall be entitled to cast one vote for each Unit owned. The vote of a Unit shall not be divisible.
- (b) Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Unit Owners for all purposes, except where otherwise provided by law, the Declaration, the Articles or these By-Laws. As used in these By-Laws, the Articles or the Declaration, the terms "majority of the Unit Owners" and "majority of the members" shall mean a majority of the votes entitled to be cast by the members and not a majority of the members themselves and shall further mean more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Unit Owners at which a quorum shall have been attained. Similarly, if some greater percentage of members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of members and not of the members themselves.
- (c) Voting Member. If a Unit is owned by one person, that person's right to vote shall be established by the roster of members. If a Unit is owned by more than one person, those persons (including husbands and wives) shall decide among themselves as to who shall cast the vote of the Unit. In the event that those persons cannot so decide, no vote shall be cast. A person casting a vote for a Unit shall be presumed to have the authority to do so unless the President or the Board of Directors is otherwise notified. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by an appropriate officer of the corporation and filed with the Secretary of the Association. Such person need not be a Unit Owner. Those certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit concerned. A certificate designating the person entitled to cast the vote for a Unit may be revoked by any record owner of an undivided interest in the Unit. If a certificate designating the person entitled to cast the vote for a Unit for which such certificate is required is not on file or has been revoked, the vote attributable to such Unit shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed.

- 3.7 Proxies. Votes to be cast at meetings of the Association membership may be cast in person or by proxy. Except as specifically provided herein, Unit Owners may not vote by general proxy, but may vote by limited proxies substantially conforming to the limited proxy form approved by the Division. Limited proxies shall be permitted for votes taken to: waive or reduce reserves; waive financial statements; amend the Declaration, Articles or By-Laws; or for any other matter requiring or permitting a vote of Unit Owners. No proxy, limited or general, shall be used in the election of Board members. General proxies may be used for other matters for which limited proxies are not required (such as establishment of a quorum) and may also be used in voting for nonsubstantive changes to items for which a limited proxy is required and given. A proxy may be made by any person entitled to vote, but shall only be valid for the specific meeting for which originally given and any lawful adjourned meetings thereof. In no event shall any proxy be valid for a period longer than 90 days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be in writing, signed by the person authorized to cast the vote for the Unit (as above described), name the person(s) voting by proxy and the person authorized to vote

for such person(s) and filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Each proxy shall contain the date, time and place of the meeting for which it is given and, if a limited proxy, shall set forth the matters on which the proxy holder may vote and the manner in which the vote is to be cast. There shall be no limitation on the number of proxies which may be held by any person (including a designee of the Developer). If a proxy expressly provides, any proxy holder may appoint, in writing, a substitute to act in its place. If such provision is not made, substitution is not permitted.

3.8 Adjourned Meetings. If any proposed meeting cannot be organized because a quorum has not been attained, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting.

3.9 Order of Business. If a quorum has been attained, the order of business at annual members' meetings, and, if applicable, at other members' meetings, shall be:

- (a) Call to order by President;
- (b) Collection of election ballots;
- (c) Appointment by the President of a chairman of the meeting (who need not be a member or a director);
- (d) Appointment of inspectors of election;
- (e) Counting of Ballots for Election of Directors;
- (f) Proof of notice of the meeting or waiver of notice;
- (g) Reading of minutes;
- (h) Reports of officers;
- (i) Reports of committees;
- (j) Unfinished business;
- (k) New business;
- (l) Adjournment.

Such order may be waived in whole or in part by direction of the chairman.

3.10 Minutes of Meeting. The minutes of all meetings of Unit Owners shall be kept in a book available for inspection by Unit Owners or their authorized representatives and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

3.11 Action Without A Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action required or which may be taken at any annual or special meeting of members, may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken, shall be signed by the members (or persons authorized to cast the vote of any such members as elsewhere herein set forth) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of members at which all members (or authorized

persons) entitled to vote thereon were present and voted. In order to be effective, the action must be evidenced by one or more written consents describing the action taken, dated and signed by approving members having the requisite number of votes and entitled to vote on such action, and delivered to the Secretary of the Association, or other authorized agent of the Association. Written consent shall not be effective to take the corporate action referred to in the consent unless signed by members having the requisite number of votes necessary to authorize the action within sixty (60) days of the date of the earliest dated consent and delivered to the Association as aforesaid. Any written consent may be revoked prior to the date the Association receives the required number of consents to authorize the proposed action. A revocation is not effective unless in writing and until received by the Secretary of the Association, or other authorized agent of the Association. Within ten (10) days after obtaining such authorization by written consent, notice must be given to members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action. A consent signed in accordance with the foregoing has the effect of a meeting vote and may be described as such in any document.

4. Directors.

4.1 Membership. The affairs of the Association shall be governed by a Board of not less than three (3) nor more than nine (9) directors, the exact number to be determined in the first instance in the Articles, and, thereafter, except as provided herein, from time to time upon unanimous vote of the Board. Directors must be natural persons who are 18 years of age or older. Any person who has been convicted of any felony by any court of record in the United States and who has not had his or her right to vote restored pursuant to law in the jurisdiction of his or her residence is not eligible for Board membership (provided, however, that the validity of any Board action is not affected if it is later determined that a member of the Board is ineligible for Board membership due to having been convicted of a felony). Directors may not vote at Board meetings by proxy or by secret ballot.

4.2 Election of Directors. Election of Directors shall be held at the annual members' meeting, except as herein provided to the contrary. Not less than sixty (60) days prior to a scheduled election, the Association shall mail or deliver to each Unit Owner entitled to vote, a first notice of the date of election. Any Unit Owner or other eligible person desiring to be a candidate for the Board shall give written notice to the Secretary of the Association not less than forty (40) days prior to the scheduled election. Together with the notice of meeting and agenda sent in accordance with Section 3.4 above, the Association shall then mail or deliver a second notice of the election to all Unit Owners entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8-1/2 inches by 11 inches furnished by the candidate, which must be furnished by the candidate to the Association not less than thirty five (35) days before the election, to be included with the mailing of the ballot, with the costs of mailing or delivery and copying to be borne by the Association. The Association has no liability for the contents of the information sheets prepared by the candidates. In order to reduce costs, the Association may print or duplicate the information sheets on both sides of the paper.

The election of directors shall be by written ballot or voting machine. Proxies shall in no event be used in electing the Board at general elections or to fill vacancies caused by resignation or otherwise, provided, however, that limited proxies may be used to fill a vacancy resulting from the recall of a director, in the manner provided by the rules of the Division. Elections shall be decided by a plurality of those ballots and votes cast. There shall be no quorum requirement, however at least 20 percent of the eligible voters must cast a ballot in order to have a valid election of members of the Board. There shall be no cumulative voting.

Notwithstanding the provisions of this Section 4.2, an election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the Board.

4.3 Vacancies and Removal.

(a) Except as to vacancies resulting from removal of Directors by members (as addressed in subsection (b) below), vacancies in the Board of Directors occurring between annual meetings of members shall be filled by a majority vote of the remaining Directors at any Board meeting (even if the remaining Directors constitute less than a quorum), provided that all vacancies in directorships to which Directors were appointed by the Developer pursuant to the provisions of paragraph 4.15 hereof shall be filled by the Developer without the necessity of any meeting.

(b) Any Director elected by the members (other than the Developer) may be removed by concurrence of a majority of the voting interests of the members at a special meeting of members called for that purpose or by written agreement signed by a majority of all voting interests. The vacancy in the Board of Directors so created shall be filled by the members at a special meeting of the members called for such purpose, or by the Board of Directors, in the case of removal by a written agreement unless said agreement also designates a new Director to take the place of the one removed. Notwithstanding the foregoing, the recall of any Director shall be done in accordance with Section 718.112(2)(j), *Florida Statutes*.

(c) Anything to the contrary herein notwithstanding, the Directors elected by the Developer may not be removed by anyone other than the Developer. The first Directors and those Directors replacing them which are elected by the Developer may be removed and replaced by the Developer without the necessity of any meeting.

(d) If a vacancy on the Board of Directors results in the inability to obtain a quorum of directors in accordance with these By-Laws, any Owner may apply to the Circuit Court within whose jurisdiction the Condominium lies for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Unit Owner shall mail to the Association and post in a conspicuous place on the Condominium Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these By-Laws. If, during such time, the Association fails to fill the vacancy(ies), the Unit Owner may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board of Directors, and shall serve until the Association fills the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these By-Laws.

4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the next annual meeting of the members and subsequently until his successor is duly elected and has taken office, or until he is removed in the manner elsewhere provided. Notwithstanding the foregoing, any Director designated by the Developer shall serve at the pleasure of the Developer and may be removed and replaced by the Developer at any time.

4.5 Organizational Meeting. The organizational meeting of newly-elected or appointed Directors shall be held within ten (10) days of their election or appointment. The directors calling the organizational meeting shall conspicuously post a notice of the same on the Condominium Property for a period of at least 48 continuous hours prior to such meeting.

4.6

Meetings. Meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Meetings of the Board of Directors may be held by telephone conference, with those Directors attending by telephone counted toward the quorum requirement, provided that a telephone speaker must be used so that the conversation of those Directors attending by telephone may be heard by the Directors and any Unit Owners attending such meeting in person. Notice of meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least two (2) days prior to the meeting. Meetings of the Board of Directors and any Committee thereof at which a quorum of the members of that Committee are present shall be open to all Unit Owners. Any Unit Owner may tape record or videotape meetings of the Board, in accordance with the rules of the Division. The right to attend such meetings includes the right to speak at such meetings with respect to all designated agenda items. The Association may adopt reasonable rules governing the frequency, duration and manner of Unit Owner statements. Adequate notice of such meetings, which notice shall specifically incorporate an identification of agenda items, shall be posted conspicuously on the Condominium Property at least forty-eight (48) continuous hours preceding the meeting, except in the event of an emergency. Any item not included on the notice may be taken up on an emergency basis by at least a majority plus one of the members of the Board. Such emergency action shall be noticed and ratified at the next regular meeting of the Board. Notwithstanding the foregoing, written notice of any meeting of the Board at which nonemergency special assessments, or at which amendment to rules regarding unit use will be proposed, discussed or approved, shall be mailed or delivered to all Unit Owners and posted conspicuously on the Condominium property not less than fourteen (14) continuous days prior to the meeting. Evidence of compliance with this fourteen (14) continuous day notice shall be made by an affidavit executed by the Secretary of the Association and filed among the official records of the Association. The Board shall adopt by rule, and give notice to Unit Owners of, a specific location on the Condominium Property upon which all notices of Board and/or Committee meetings shall be posted. Special meetings of the Directors may be called by the President, and must be called by the President or Secretary at the written request of one-third (1/3) of the Directors or where required by the Act. A Director or member of a Committee of the Board of Directors may submit in writing his/her agreement or disagreement with any action taken at a meeting that such individual did not attend. This agreement or disagreement may not be used for the purposes of creating a quorum.

- 4.7 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, and a waiver of any and all objections to the place of the meeting, to the time of the meeting or the manner in which it has been called or convened, except when a Director states at the beginning of the meeting, or promptly upon arrival at the meeting, any objection to the transaction of affairs because the meeting is not lawfully called or convened.
- 4.8 Quorum. A quorum at Directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by a greater number of Directors is specifically required by the Declaration, the Articles or these By-Laws.
- 4.9 Adjourned Meetings. If, at any proposed meeting of the Board of Directors, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted as long as

notice of such business to be conducted at the rescheduled meeting is given, if required (e.g., with respect to budget adoption).

4.10 Joinder in Meeting by Approval of Minutes. The joinder of a Director in the action of a meeting by signing and concurring in the minutes of that meeting shall constitute the approval of that Director of the business conducted at the meeting, but such joinder shall not allow the applicable Director to be counted as being present for purposes of quorum.

4.11 Presiding Officer. The presiding officer at the Directors' meetings shall be the President (who may, however, designate any other Unit Owner to preside).

4.12 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:

- (a) Proof of due notice of meeting;
- (b) Reading and disposal of any unapproved minutes;
- (c) Reports of officers and committees;
- (d) Election of officers;
- (e) Unfinished business;
- (f) New business;
- (g) Adjournment.

Such order may be waived in whole or in part by direction of the presiding officer.

4.13 Minutes of Meetings. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Unit Owners, or their authorized representatives, and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

4.14 Committees. The Board may by resolution also create Committees and appoint persons to such Committees and vest in such Committees such powers and responsibilities as the Board shall deem advisable.

4.15 Proviso. Notwithstanding anything to the contrary contained in this Section 4 or otherwise, the Board shall consist of three directors during the period that the Developer is entitled to appoint a majority of the Directors, as hereinafter provided. The Developer shall have the right to appoint all of the members of the Board of Directors until Unit Owners other than the Developer own fifteen (15%) percent or more of the Units in the Condominium. When Unit Owners other than the Developer own fifteen percent (15%) or more of the Units in the Condominium that will be operated ultimately by the Association, the Unit Owners other than the Developer shall be entitled to elect not less than one-third (1/3) of the members of the Board of Directors. Upon the election of such director(s), the Developer shall forward to the Division of Florida Land Sales, Condominiums and Mobile Homes the name and mailing address of the director(s) elected. Unit Owners other than the Developer are entitled to elect not less than a majority of the members of the Board of Directors: (a) three (3) years after fifty (50%) percent of the Units that will be operated ultimately by the Association have been conveyed to purchasers; (b) three (3) months after ninety (90%) percent of the Units that will be operated ultimately by the Association have been conveyed to purchasers; (c) when all of the Units that will be operated ultimately by the Association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered for sale by the Developer in the

ordinary course of business; (d) when some of the Units have been conveyed to purchasers, and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business; or (e) seven (7) years after recordation of the Declaration, whichever occurs first. The Developer is entitled (but not obligated) to elect at least one (1) member of the Board of Directors as long as the Developer holds for sale in the ordinary course of business five percent (5%) of the Units that will be operated ultimately by the Association.

The Developer may transfer control of the Association to Unit Owners other than the Developer prior to such dates in its sole discretion by causing enough of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Unit Owners other than the Developer to elect Directors and assume control of the Association. Provided at least sixty (60) days' notice of Developer's decision to cause its appointees to resign is given to Unit Owners, neither the Developer, nor such appointees, shall be liable in any manner in connection with such resignations even if the Unit Owners other than the Developer refuse or fail to assume control.

Within seventy-five (75) days after the Unit Owners other than the Developer are entitled to elect a member or members of the Board of Directors, or sooner if the Developer has elected to accelerate such event as aforesaid, the Association shall call, and give not less than sixty (60) days' notice of an election for the member or members of the Board of Directors. The notice may be given by any Unit Owner if the Association fails to do so.

At the time the Unit Owners other than the Developer elect a majority of the members of the Board of Directors of the Association, the Developer shall relinquish control of the Association and such Unit Owners shall accept control. At that time (except as to subparagraph (g), which may be ninety (90) days thereafter) Developer shall deliver to the Association, at Developer's expense, all property of the Unit Owners and of the Association held or controlled by the Developer, including, but not limited to, the following items, if applicable to the Condominium:

- (a) The original or a photocopy of the recorded Declaration of Condominium, and all amendments thereto. If a photocopy is provided, the Developer must certify by affidavit that it is a complete copy of the actual recorded Declaration.
- (b) A certified copy of the Articles of Incorporation of the Association.
- (c) A copy of the By-Laws of the Association.
- (d) The minute book, including all minutes, and other books and records of the Association.
- (e) Any rules and regulations which have been adopted.
- (f) Resignations of resigning officers and Board members who were appointed by the Developer.
- (g) The financial records, including financial statements of the association, and source documents from the incorporation of the Association through the date of the turnover. The records shall be audited for the period from the incorporation of the Association or from the period covered by the last audit, if applicable, by an independent certified public accountant. All financial statements shall be prepared in accordance with generally accepted accounting principles and shall be audited in accordance with generally accepted auditing standards as prescribed by the Florida Board of Accountancy. The accountant performing the audit shall examine to the extent necessary supporting documents and records, including the cash disbursements and related paid invoices to determine if

expenditures were for Association purposes, and billings, cash receipts and related records to determine that the Developer was charged and paid the proper amounts of Assessments. The Association shall provide the mortgagee for the Condominium with reasonable access to such records.

- (h) Association funds or the control thereof.
- (i) All tangible personal property that is the property of the Association or is or was represented by the Developer to be part of the Common Elements or is ostensibly part of the Common Elements, and an inventory of such property.
- (j) A copy of the plans and specifications utilized in the construction or remodeling of Improvements and the supplying of equipment, and for the construction and installation of all mechanical components serving the Improvements and the Condominium Property, with a certificate, in affidavit form, of an officer of the Developer or an architect or engineer authorized to practice in Florida, that such plans and specifications represent, to the best of their knowledge and belief, the actual plans and specifications utilized in the construction and improvement of the Condominium Property and the construction and installation of the mechanical components serving the Improvements and the Condominium Property.
- (k) A list of the names and addresses of all contractors, subcontractors and suppliers, of which Developer had knowledge at any time in the development of the Condominium, utilized in the construction or remodeling of the improvements and the landscaping of the Condominium and/or Association Property.
- (l) Insurance policies.
- (m) Copies of any Certificates of Occupancy which may have been issued for the Condominium Property.
- (n) Any other permits issued by governmental bodies applicable to the Condominium Property in force or issued within one (1) year prior to the date the Unit Owners take control of the Association.
- (o) All written warranties of contractors, subcontractors, suppliers and manufacturers, if any, that are still effective.
- (p) A roster of Unit Owners and their addresses and telephone numbers, if known, as shown on the Developer's records.
- (q) Leases of the Common Elements and other leases to which the Association is a party, if applicable.
- (r) Employment contracts or service contracts in which the Association is one of the contracting parties, or service contracts in which the Association or Unit Owners have an obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person or persons performing the service.
- (s) All other contracts to which the Association is a party.

5. Authority of the Board.

5.1 Powers and Duties. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Condominium and may take all acts, through the proper officers of the Association, in executing such powers, except such acts which by law, the Declaration, the Articles or these By-Laws may not be delegated to the Board of Directors by the Unit Owners. Such powers and duties of the Board of Directors shall include, without limitation (except as limited elsewhere herein), the following:

- (a) Operating and maintaining all Common Elements and the Association Property.
- (b) Determining the expenses required for the operation of the Association and the Condominium.
- (c) Employing and dismissing the personnel necessary for the maintenance and operation of the Common Elements and the Association Property.
- (d) Adopting and amending rules and regulations concerning the details of the operation and use of the Condominium and Association Property, subject to a right of the Unit Owners to overrule the Board as provided in Section 14 hereof.
- (e) Maintaining bank accounts on behalf of the Association and designating the signatories required therefor.
- (f) Purchasing, leasing or otherwise acquiring title to, or an interest in, property in the name of the Association, or its designee, for the use and benefit of its members. The power to acquire personal property shall be exercised by the Board and the power to acquire real property shall be exercised as described herein and in the Declaration.
- (g) Purchasing, leasing or otherwise acquiring Units or other property, including, without limitation, Units at foreclosure or other judicial sales, all in the name of the Association, or its designee.
- (h) Selling, leasing, mortgaging or otherwise dealing with Units acquired, and subleasing Units leased, by the Association, or its designee.
- (i) Organizing corporations and appointing persons to act as designees of the Association in acquiring title to or leasing Units or other property.
- (j) Obtaining and reviewing insurance for the Condominium and Association Property.
- (k) Making repairs, additions and improvements to, or alterations of, Condominium Property and Association Property, and repairs to and restoration of Condominium and Association Property, in accordance with the provisions of the Declaration after damage or destruction by fire or other casualty, or as a result of condemnation or eminent domain proceedings or otherwise.
- (l) Enforcing obligations of the Unit Owners, allocating profits and expenses and taking such other actions as shall be deemed necessary and proper for the sound management of the Condominium.
- (m) Levying fines against appropriate Unit Owners for violations of the rules and regulations established by the Association to govern the conduct of such Unit Owners. No fine shall be levied except after giving reasonable notice and opportunity for a hearing to the affected Unit Owner and, if applicable, his tenant,

licensee or invitee. The hearing must be held before a committee of other Unit Owners. If the committee does not agree with the fine, the fine may not be levied. No fine may exceed \$100.00 per violation, however, a fine may be levied on the basis of each day of a continuing violation with a single notice and opportunity for hearing, provided however, that no such fine shall in the aggregate exceed \$1,000.00. No fine shall become a lien upon a Unit.

- (n) Purchasing or leasing Units for use by resident superintendents and other similar persons or for the general use and enjoyment of the Unit Owners.
- (o) Borrowing money on behalf of the Association or the Condominium when required in connection with the operation, care, upkeep and maintenance of Common Elements (if the need for the funds is unanticipated) or the acquisition of real property, and granting mortgages on and/or security interests in Association owned property; provided, however, that the consent of the Owners of at least two-thirds (2/3rds) of the Units represented at a meeting at which a quorum has been attained in accordance with the provisions of these By-Laws shall be required for the borrowing of any sum which would cause the total outstanding indebtedness of the Association to exceed \$50,000.00. If any sum borrowed by the Board of Directors on behalf of the Condominium pursuant to the authority contained in this subparagraph (o) is not repaid by the Association, a Unit Owner who pays to the creditor such portion thereof as his interest in his Common Elements bears to the interest of all the Unit Owners in the Common Elements shall be entitled to obtain from the creditor a release of any judgment or other lien which said creditor shall have filed or shall have the right to file against, or which will affect, such Owner's Unit.
- (p) Subject to the provisions of Section 5.2 below, contracting for the management and maintenance of the Condominium and Association Property and authorizing a management agent (who may be an affiliate of the Developer) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair, and replacement of the Common Elements and Association Property with such funds as shall be made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties granted by the Declaration, the Articles, these By-Laws and the Act, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.
- (q) At its discretion, but within the parameters of the Act, authorizing Unit Owners or other persons to use portions of the Common Elements or Association Property for private parties and gatherings and imposing reasonable charges for such private use.
- (r) Executing all documents or consents, on behalf of all Unit Owners (and their mortgagees), required by all governmental and/or quasi-governmental agencies in connection with land use and development matters (including, without limitation, plats, waivers of plat, unities of title, covenants in lieu thereof, etc.), and in that regard, each Owner, by acceptance of the deed to such Owner's Unit, and each mortgagee of a Unit Owner by acceptance of a lien on said Unit, appoints and designates the President of the Association as such Owner's agent and attorney-in-fact to execute any and all such documents or consents.
- (s) The duty and obligation to comply with any requirements of any Federal, State or local rule, regulation, ordinance, code, project or agreement, relating to the installation, maintenance, repair, restoration, renourishing and/or replacing of the

beach/dune system, any seawall, and any crosswalk/boardwalk to and from the beach now or hereafter located upon or adjacent to (even if beyond the legal boundaries of) the Condominium Property.

(t) Exercising (i) all powers specifically set forth in the Declaration, the Articles, these By-Laws and in the Act, (ii) all powers incidental thereto, and (iii) all other powers of a Florida corporation not for profit.

(u) Contracting with and creating or joining in the creation of special taxing districts, joint councils and the like.

5.2 Contracts. Any contract which is not to be fully performed within one (1) year from the making thereof, for the purchase, lease or renting of materials or equipment to be used by the Association in accomplishing its purposes, and all contracts for the provision of services, shall be in writing. Where a contract for purchase, lease or renting materials or equipment, or for the provision of services, requires payment by the Association on behalf of the Condominium in the aggregate exceeding five percent (5%) of the total annual budget of the Association, the Association shall obtain competitive bids for the materials, equipment or services. Nothing contained herein shall be construed to require the Association to accept the lowest bid. Notwithstanding the foregoing, contracts with employees of the Association and contracts for attorney, accountant, architect, community association manager, engineering and landscape architect services shall not be subject to the provisions hereof. Further, nothing contained herein is intended to limit the ability of the Association to obtain needed products and services in an emergency; nor shall the provisions hereof apply if the business entity with which the Association desires to contract is the only source of supply within the County. Notwithstanding anything to the contrary, in the event that the Association retains a manager or management company to assist in the operation of the Condominium Property, any such contract with the manager or management company shall contain a provision which allows the Association to terminate the agreement, without penalty, within 90 days or less written notice to the manager.

6. Officers.

6.1 Executive Officers. The executive officers of the Association shall be a President, a Vice-President, a Treasurer and a Secretary (none of whom need be Directors), all of whom shall be elected by the Board of Directors and who may be peremptorily removed at any meeting by concurrence of a majority of all of the Directors. A person may hold more than one office. No person shall sign an instrument or perform an act in the capacity of more than one office. The Board of Directors from time to time shall elect such other officers and designate their powers and duties as the Board shall deem necessary or appropriate to manage the affairs of the Association. Officers, other than those elected by the Board of Directors, when the Board of Directors is controlled by the Developer, must be Unit Owners (or authorized representatives of corporate/partnership/trust Unit Owners).

6.2 President. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties that are usually vested in the office of president of an association.

6.3 Vice-President. The Vice-President shall exercise the powers and perform the duties of the President in the absence or disability of the President. He also shall assist the President and exercise such other powers and perform such other duties as are incident to the office of the vice president of an association and as may be required by the Directors or the President.

6.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the members. The Secretary shall attend to the giving of all notices to the members and Directors and other notices required by law. The Secretary shall have custody of the seal of the Association and shall affix it to instruments requiring the seal when duly signed. The Secretary shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of the secretary of an association and as may be required by the Directors or the President.

6.5 Treasurer. The Treasurer shall have custody of all financial property of the Association, including funds, securities and evidences of indebtedness. The Treasurer shall keep books of account for the Association in accordance with good accounting practices, which, together with substantiating papers, shall be made available to the Board of Directors for examination at reasonable times. The Treasurer shall submit a treasurer's report to the Board of Directors at reasonable intervals and shall perform all other duties incident to the office of treasurer and as may be required by the Directors or the President. All monies and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board of Directors.

7. Fiduciary Duty. The officers and directors of the Association, as well as any manager employed by the Association, have a fiduciary relationship to the Unit Owners. No officer, director or manager shall solicit, offer to accept, or accept any thing or service of value for which consideration has not been provided for his own benefit or that of his immediate family, from any person providing or proposing to provide goods or services to the Association. Any such officer, director or manager who knowingly so solicits, offers to accept or accepts any thing or service of a value shall, in addition to all other rights and remedies of the Association and Unit Owners, be subject to a civil penalty in accordance with the Act. Notwithstanding the foregoing, this paragraph shall not prohibit an officer, director or manager from accepting services or items received in connection with trade fairs or education programs.

8. Compensation. Neither Directors nor officers shall receive compensation for their services as such, but this provision shall not preclude the Board of Directors from employing a Director or officer as an employee of the Association, nor preclude contracting with a Director or officer for the management of the Condominium or for any other service to be supplied by such Director or officer. Directors and officers shall be compensated for all actual and proper out of pocket expenses relating to the proper discharge of their respective duties.

9. Resignations. Any Director or officer may resign his post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. The acceptance of a resignation shall not be required to make it effective.

10. Fiscal Management. The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:

10.1 Budget.

(a) Adoption by Board; Items. The Board of Directors shall from time to time, and at least annually, prepare a budget for all Condominiums governed and operated by the Association (which shall detail all accounts and items of expense and contain at least all items set forth in Section 718.504(21) of the Act, if applicable), determine the amount of Assessments payable by the Unit Owners to meet the expenses of such Condominium(s) and allocate and assess such expenses among the Unit Owners in accordance with the provisions of the Declaration. In addition, if the Association maintains limited common elements with the cost to be shared only by those entitled to use the limited common elements, the budget or a schedule attached thereto shall show amounts budgeted therefor. In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance (to the extent

required by law). These accounts shall include, but not be limited to, roof replacement, building painting and pavement resurfacing regardless of the amount of deferred maintenance expense or replacement cost, and for any other item for which the deferred maintenance expense or replacement cost exceeds \$10,000.00. The amount of reserves shall be computed by means of a formula which is based upon the estimated remaining useful life and the estimated replacement cost of each reserve item. The Association may adjust replacement and reserve assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance. Reserves shall not be required if the members of the Association have, by a majority vote at a duly called meeting of members, determined for a specific fiscal year to provide no reserves or reserves less adequate than required hereby. Prior to transfer of control of the Association to Unit Owners other than the Developer, the Developer may vote to waive reserves or reduce the funding of reserves for the first two (2) years of operation of the Association, after which time, reserves may only be waived or reduced upon the vote of a majority of all non-Developer voting interests voting in person or by limited proxy at a duly called meeting of the Association. If a meeting of Unit Owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves, as included in the budget, shall go into effect. Reserve funds and any interest accruing thereon shall remain in the reserve account or accounts, and shall be used only for authorized reserve expenditures, unless their use for any other purposes is approved in advance by a majority vote at a duly called meeting of the Association. Prior to transfer of control of the Association to Unit Owners other than the Developer, the Association shall not vote to use reserves for purposes other than that for which they were intended without the approval of a majority of all non-Developer voting interests, voting in person or by limited proxy at a duly called meeting of the Association.

The adoption of a budget for the Condominium shall comply with the requirements hereinafter set forth:

- (i) Notice of Meeting. A copy of the proposed budget of Common Expenses shall be hand delivered to each Unit Owner or mailed to each Unit Owner (at the address last furnished to the Association) not less than fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting.
- (ii) Special Membership Meeting. If a budget is adopted by the Board of Directors which requires Assessments against such Unit Owners in any year exceeding one hundred fifteen percent (115%) of such Assessments for the preceding year, as hereinafter defined, upon written application of ten percent (10%) of the Unit Owners, a special meeting of the Unit Owners shall be held within thirty (30) days of delivery of such application to the Board of Directors. Each Unit Owner shall be given at least fourteen (14) days' notice of said meeting. At the special meeting, Unit Owners shall consider and adopt a budget. The adoption of said budget shall require a vote of Owners of not less than a majority of all the Units (including Units owned by the Developer). If a meeting of the Unit Owners has been called as aforesaid and a quorum is not obtained or a substitute budget has not been adopted by the Unit Owners, the budget adopted by the Board of Directors shall go into effect as scheduled.
- (iii) Determination of Budget Amount. In determining whether a budget requires Assessments against Unit Owners in any year exceeding one hundred fifteen percent (115%) of Assessments for the preceding year, there shall be excluded in the computations any authorized provisions for reasonable reserves made by the Board of Directors in respect of repair or replacement of the Condominium

Property or in respect of anticipated expenses of the Association which are not anticipated to be incurred on a regular or annual basis, and there shall be excluded further from such computation Assessments for improvements to the Condominium Property.

Proviso. As long as the Developer is in control of the Board of Directors of the Association, the Board shall not impose Assessments for a year greater than one hundred fifteen percent (115%) of the prior year's Assessments, as herein defined, without the approval of a majority of Unit Owners other than the Developer.

(iv)
(b) Adoption by Membership. In the event that the Board of Directors shall be unable to adopt a budget for a fiscal year in accordance with the requirements of Subsection 10.1(a) above, the Board of Directors may call a special meeting of Unit Owners for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for such special meetings in said subsection, or propose a budget in writing to the members, and if such budget is adopted by the members, upon ratification by a majority of the Board of Directors, it shall become the budget for such year.

10.2 Assessments. Assessments against Unit Owners for their share of the items of the budget shall be made for the applicable fiscal year annually at least twenty (20) days preceding the year for which the Assessments are made. Such Assessments shall be due in equal installments, payable in advance on the first day of each month (or each quarter at the election of the Board) of the year for which the Assessments are made. If annual Assessments are not made as required, Assessments shall be presumed to have been made in the amount of the last prior Assessments, and monthly (or quarterly) installments on such Assessments shall be due upon each installment payment date until changed by amended Assessments. In the event the annual Assessments prove to be insufficient, the budget and Assessments may be amended at any time by the Board of Directors, subject to the provisions of Section 10.1 hereof, if applicable. Unpaid Assessments for the remaining portion of the fiscal year for which amended Assessments are made shall be payable in as many equal installments as there are full months (or quarters) of the fiscal year left as of the date of such amended Assessments, each such monthly (or quarterly) installment to be paid on the first day of the month (or quarter), commencing the first day of the next ensuing month (or quarter). If only a partial month (or quarter) remains, the amended Assessments shall be paid with the next regular installment in the following year, unless otherwise directed by the Board in its resolution.

10.3 Special Assessments. Special Assessments (as defined in the Declaration) shall be levied as provided in the Declaration and shall be paid in such manner as the Board of Directors of the Association may require in the notice of such Assessments. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in the notice of adoption of same. However, upon completion of such specific purpose or purposes, any excess funds will be considered Common Surplus, and may, at the discretion of the Board, either be returned to the Unit Owners or applied as a credit towards future assessments.

10.4 Depository. The depository of the Association shall be such bank or banks in the State of Florida as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments or otherwise may be commingled in a single fund or divided into more than one fund, as determined by a majority of the Board of Directors. In addition, a separate reserve

account should be established for the Association in such a depository for monies specifically designated as reserves for capital expenditures and/or deferred maintenance. Reserve and operating funds of the Association shall not be commingled unless combined for investment purposes, provided that the funds so commingled shall be accounted for separately and the combined account balance of such commingled funds may not, at any time, be less than the amount identified as reserve funds in the combined account.

10.5 Acceleration of Installments Upon Default. If a Unit Owner shall be in default in the payment of an installment upon his Assessments, the Board of Directors or its agent may accelerate the balance of the current budget years' Assessments upon thirty (30) days' prior written notice to the Unit Owner and the recording of a claim of lien, and the then unpaid balance of the current budget years' Assessments shall be due upon the date the claim of lien is recorded.

10.6 Fidelity Insurance or Fidelity Bonds. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse Association funds, which shall include, without limitation, those individuals authorized to sign Association checks and the president, secretary and treasurer of the Association. The insurance policy or fidelity bond shall be in such amount as shall be determined by a majority of the Board, but must be sufficient to cover the maximum funds that will be in the custody of the Association or its management agent at any one time. The premiums on such bonds and/or insurance shall be paid by the Association as a Common Expense.

10.7 Accounting Records and Reports. The Association shall maintain accounting records in the State, according to accounting practices normally used by similar associations. The records shall be open to inspection by Unit Owners or their authorized representatives at reasonable times and written summaries of them shall be supplied at least annually. The records shall include, but not be limited to, (a) a record of all receipts and expenditures, and (b) an account for each Unit designating the name and current mailing address of the Unit Owner, the amount of Assessments, the dates and amounts in which the Assessments come due, the amount paid upon the account and the dates so paid, and the balance due. Written summaries of the records described in clause (a) above, in the form and manner specified below, shall be supplied to each Unit Owner annually.

Within sixty (60) days following the end of the fiscal year, the Board shall mail, or furnish by personal delivery, to each Unit Owner a complete financial report of actual receipts and expenditures for the previous twelve (12) months, or a complete set of financial statements for the preceding fiscal year prepared in accordance with generally accepted accounting principles. The report shall show the amount of receipts by accounts and receipt classifications and shall show the amount of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

- (a) Costs for security;
- (b) Professional and management fees and expenses;
- (c) Taxes;
- (d) Costs for recreation facilities;

11. Roster of Unit Owners. Each Unit Owner shall file with the Association a copy of the deed or other document showing his ownership. The Association shall maintain such information. The Association may rely upon the accuracy of such information for all purposes until notified in writing of changes therein as provided above. Only Unit Owners of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Owners shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

12. Parliamentary Rules. Except when specifically or impliedly waived by the chairman of a meeting (either of members or directors), Robert's Rules of Order (latest edition) shall govern the conduct of the Association meetings when not in conflict with the Act, the Declaration, the Articles or these By-Laws; provided, however, that a strict or technical reading of said Robert's Rules shall not be made so as to frustrate the will of the persons properly participating in said meeting.

13. Amendments. Except as may be provided in the Declaration to the contrary, these By-Laws may be amended in the following manner:

13.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of a meeting at which a proposed amendment is to be considered. The proposed amendment shall contain the full text of the bylaws to be amended, new words shall be inserted in the text underlined, and words deleted shall be lined through with hyphens. Notwithstanding the foregoing, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the amendment, it is not necessary to use such hyphens and underlining, provided, a notation is inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of bylaw. See bylaw _____ for present text."

13.2 Adoption. A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board of Directors or by not less than one-third (1/3) of the members of the Association. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, provided that such approval is delivered to the Secretary at or prior to the meeting. The approval must be:

- (a) by not less than a majority of the votes of all members of the Association represented at a meeting at which a quorum has been attained and by not less than 66-2/3% of the entire Board of Directors; or

(b) after control of the Association has been turned over to Unit Owners other than the Developer, by not less than 80% of the votes of the members of the Association represented at a meeting at which a quorum has been attained.

13.3 Proviso. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer or mortgagees of Units without the consent of said Developer and mortgagees in each instance. No amendment shall be made that is in conflict with the Articles or Declaration. No amendment to this Section shall be valid.

13.4 Execution and Recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment of these By-Laws, which certificate shall be executed by the President or Vice-President and attested by the Secretary or Assistant Secretary of the Association with the formalities of a deed, or by the Developer alone if the amendment has been adopted consistent with the provisions of the Declaration allowing such action by the Developer. The amendment shall be effective when the certificate and a copy of the amendment is recorded in the Public Records of the County with an identification on the first page of the amendment of the Official Records Book and Page of said Public Records where the Declaration is recorded.

14. Rules and Regulations. Attached hereto as **Schedule "A"** and made a part hereof are initial rules and regulations concerning the use of portions of the Condominium and Association Property. The Board of Directors may, from time to time, modify, amend or add to such rules and regulations, except that subsequent to the date control of the Board is turned over by the Developer to Unit Owners other than the Developer, Owners of a majority of the Units may overrule the Board with respect to any such modifications, amendments or additions. Copies of such modified, amended or additional rules and regulations shall be furnished by the Board of Directors to each affected Unit Owner not less than thirty (30) days prior to the effective date thereof. At no time may any rule or regulation be adopted which would prejudice the rights reserved to the Developer.

15. Official Records. From the inception of the Association, the Association shall maintain for the condominium, a copy of each of the following, where applicable, which shall constitute the official records of the Association:

The official records of the Association shall be maintained within the State of Florida.

The official records of the Association shall be open to inspection by any Association member or the authorized representative of such member at all reasonable times. The right to inspect the records includes the right to make or obtain copies, at a reasonable expense, if any, of the Association member. The Association may adopt reasonable rules regarding the time, location, notice and manner of record inspections and copying. The failure of an Association to provide official records to a Unit Owner or his authorized representative within ten (10) working days after receipt of a written request therefor shall create a rebuttable presumption that the Association willfully failed to comply with this paragraph. Failure to permit inspection of the Association records as provided herein entitles any person prevailing in an enforcement action to recover reasonable attorneys' fees from the person in control of the records who, directly or indirectly, knowingly denies access to the records for inspection. The Association shall maintain on the Condominium Property an adequate number of copies of the Declaration, Articles, By-Laws and rules, and all amendments to the foregoing, as well as the Question and Answer Sheet and year-end financial information required by the Act to ensure their availability to Unit Owners and prospective purchasers. The Association may charge its actual costs for preparing and furnishing these documents to those persons requesting same.

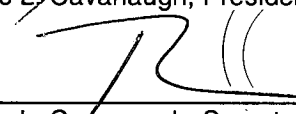

- 16. Arbitration. In the event that there are internal disputes among Members, the Association or their agents and assigns arising from or in connection with the operation of the Condominium, the parties shall enter into mandatory non-binding arbitration pursuant to those procedures set forth in Section 718.1255, Florida Statutes.
- 17. Written Inquiries. When a Unit Owner files a written inquiry by certified mail with the Board, the Board shall respond in writing to the Unit Owner within thirty (30) days of receipt of the inquiry. The Board's response shall either give a substantive response to the inquirer, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the division. If the Board requests advice from the division, the Board shall, within 10 days of its receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board shall, within 60 days after the receipt of the inquiry, provide in writing a substantive response to the inquiry. The failure to provide a substantive response to the inquiry as provided herein precludes the Board from recovering attorney's fees and costs in any subsequent litigation, administrative proceeding, or arbitration arising out of the inquiry. The association may through its Board adopt reasonable rules and regulations regarding the frequency and manner of responding to Unit Owner inquiries, one of which may be that the Association is only obligated to respond to one written inquiry per Unit in any given 30-day period. In such a case, any additional inquiry or inquiries must be responded to in the subsequent 30-day period, or periods, as applicable.
- 18. Condemnation. The Association shall have a limited power to convey a portion of the Common Elements to a condemning authority for the purpose of providing utility easements, right-of-way expansion, or other public purposes, whether negotiated or as a result of eminent domain proceedings.
- 19. Certificate of Compliance. A certificate of compliance from a licensed electrical contractor or electrician may be accepted by the Association's Board as evidence of compliance of the Units to the applicable condominium fire and life safety code.
- 20. Construction. Wherever the context so permits, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall be deemed to include all genders.
- 21. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define or limit the scope of these By-Laws or the intent of any provision hereof.

Unless a Director has knowledge concerning a matter in question that makes reliance unwarranted, a Director, in discharging his duties, may rely on information, opinions, reports or statements, including financial statements and other data, if prepared or presented by: one or more officers or employees of the Association whom the Director reasonably believes to be reasonable and competent in the manners presented; legal counsel, public accountants or other persons as to matters the Director reasonably believes are within the persons' professional or expert competence; or a Committee of which the Director is not a member if the Director reasonably believes the Committee merits confidence. A Director is not liable for any action taken as a director, or any failure to take action, if he performed the duties of his office in compliance with the foregoing standards.

ARTICLE 11
INDEMNIFICATION

11.1 Indemnitees. The Association shall indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the Association) by reason of the fact that he is or was a director, officer, employee or agent (each, an "Indemnitee") of the Association, against liability incurred in connection with such proceeding, including any appeal thereof, if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

11.2 Indemnification. The Association shall indemnify any person, who was or is a party to any proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, or agent of the Association against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association, except that no indemnification shall be made under this subsection in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

11.3 Indemnification for Expenses. To the extent that a director, officer, employee, or agent of the Association has been successful on the merits or otherwise in defense of any proceeding referred to in subsection 11.1 or 11.2, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith.

11.4 Determination of Applicability. Any indemnification under subsection 11.1 or subsection 11.2, unless pursuant to a determination by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in subsection 11.1 or subsection 11.2. Such determination shall be made:

- (a) By the board of directors by a majority vote of a quorum consisting of directors who were not parties to such proceeding;
- (b) If such a quorum is not obtainable or, even if obtainable, by majority vote of a Committee duly designated by the Board of Directors (in which directors who are parties may participate) consisting solely of two or more Directors not at the time parties to the proceeding;
- (c) By independent legal counsel:
 - 1. selected by the Board of Directors prescribed in paragraph 11.4(a) or the committee prescribed in paragraph 11.4(b); or

2. if a quorum of the Directors cannot be obtained for paragraph 11.4(a) and the Committee cannot be designated under paragraph 11.4(b), selected by majority vote of the full Board of Directors (in which Directors who are parties may participate); or

(d) By a majority of the voting interests of the members of the Association who were not parties to such proceeding.

11.5 Determination Regarding Expenses. Evaluation of the reasonableness of expenses and authorization of indemnification shall be made in the same manner as the determination that indemnification is permissible. However, if the determination of permissibility is made by independent legal counsel, persons specified by paragraph 11.4(c) shall evaluate the reasonableness of expenses and may authorize indemnification.

11.6 Advancing Expenses. Expenses incurred by an officer or director in defending a civil or criminal proceeding may be paid by the Association in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if he is ultimately found not to be entitled to indemnification by the Association pursuant to this section. Expenses incurred by other employees and agents may be paid in advance upon such terms or conditions that the Board of Directors deems appropriate.

11.7 Exclusivity; Exclusions. The indemnification and advancement of expenses provided pursuant to this section are not exclusive, and the Association may make any other or further indemnification or advancement of expenses of any of its directors, officers, employees, or agents, under any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. However, indemnification or advancement of expenses shall not be made to or on behalf of any director, officer, employee, or agent if a judgment or other final adjudication establishes that his actions, or omissions to act, were material to the cause of action so adjudicated and constitute:

- (a) A violation of the criminal law, unless the director, officer, employee, or agent had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful;
- (b) A transaction from which the director, officer, employee, or agent derived an improper personal benefit; or
- (c) Willful misconduct or a conscious disregard for the best interests of the Association in a proceeding by or in the right of the Association to procure a judgment in its favor or in a proceeding by or in the right of the members of the Association.

11.8 Continuing Effect. Indemnification and advancement of expenses as provided in this section shall continue, unless otherwise provided when authorized or ratified, as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person, unless otherwise provided when authorized or ratified.

11.9 Application to Court. Notwithstanding the failure of the Association to provide indemnification, and despite any contrary determination of the Board or of the members in the specific case, a director, officer, employee, or agent of the Association who is or was a party to a proceeding may apply for indemnification or advancement of expenses, or both, to the court conducting the proceeding, to the circuit court, or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice that it considers necessary, may order indemnification and advancement of expenses,

including expenses incurred in seeking court-ordered indemnification or advancement of expenses, if it determines that:

- (a) The director, officer, employee, or agent is entitled to mandatory indemnification under subsection 11.3, in which case the court shall also order the Association to pay the director's reasonable expenses incurred in obtaining court-ordered indemnification or advancement of expenses;
- (b) The director, officer, employee, or agent is entitled to indemnification or advancement of expenses, or both, by virtue of the exercise by the Association of its power pursuant to subsection 11.7; or
- (c) The director, officer, employee, or agent is fairly and reasonably entitled to indemnification or advancement of expenses, or both, in view of all the relevant circumstances, regardless of whether such person met the standard of conduct set forth in subsection 11.1, subsection 11.2, or subsection 11.7. unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith or acted in a manner he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or did act in a manner which he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

11.10 Definitions. For purposes of this Article 11, the term "expenses" shall be deemed to include attorneys' fees, including those for any appeals; the term "liability" shall be deemed to include obligations to pay a judgment, settlement, penalty, fine, and expenses actually and reasonably incurred with respect to a proceeding; the term "proceeding" shall be deemed to include any threatened, pending, or completed action, suit, or other type of proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal; and the term "agent" shall be deemed to include a volunteer; the term "serving at the request of the Association" shall be deemed to include any service as a director, officer, employee or agent of the Association that imposes duties on such persons.

11.11 Amendment. Anything to the contrary herein notwithstanding, no amendment to the provisions of this Article 11 shall be applicable as to any party eligible for indemnification hereunder who has not given his prior written consent to such amendment.
